FOREWORD

The American Buckskin Registry Association was organized in 1963, then reorganized and incorporated in 1965.

MISSION STATEMENT

It’s purpose is to collect, record and preserve the pedigrees of Buckskin, Dun, Red Dun, Grulla and Dunalino horses, ponies/miniature horses and mules, as well as those eligible horses of unknown ancestry. ABRA also serves as an information center for its members and the general public on matters pertaining to shows and projects designed to improve the association and aid the industry, for its breeders and all equine owners. ABRA also works to promote equine ownership and to grow markets for ABRA. Shows and performance events give breeders and exhibitors opportunities to compete for awards and prize money, providing opportunities for breeders to continually strive to improve the breed.

ABRA'S DISCLAIMER OF RESPONSIBILITY FOR SAFETY

ABRA does not assume or accept duty or responsibility for safety at any show in regard to participants or any other third parties, or for the equines or other property thereof. Show management is responsible for the condition of show premises, including, but not limited to, arena, exercise, and stall areas; the conduct and competence of show employees and other representatives; implementation of show activities and events; and all other aspects of the show. Show management applies for ABRA approval on a voluntary basis, agreeing to conduct the show according to ABRA rules, which are designed to promote fair competition. Assumption of responsibility for safety by show management is required by ABRA as an express condition to grant the designation ‘ABRA approved show.’ ABRA’s objective is to require, by rule enforcement: a ‘level playing field’ of competition in order that performance of exhibitor and equine can be judged uniformly by competent judges; equines identified by registration certificate; and equines which perform or are exhibited free of illegal drugs or other prohibited substances which could affect their performance. As an express condition of the privilege to participate at an ABRA-approved show or event, each owner of an ABRA registered equine, exhibitor, trainer and participant assumes the risks of participation, and releases and discharges ABRA, its officers, directors, representatives and employees from any and all liability, whenever or however arising, as to personal injury or property damage occurring as a result of participation in an event conducted by the show or on the show grounds thereof. Safety is a concern of everyone, but ABRA does not assume responsibility for it. ABRA’s purpose for sanctioning a show is to promote fair competition.

DISCIPLINARY PROCEDURES

The ABRA Executive Committee is the forum that, initially or ultimately, hears or reviews evidence of alleged violations of rules and regulations by members and/or participants in ABRA-approved events. A member may be disciplined, suspended, fined and/or expelled from ABRA, and any nonmember participant may be denied any or all ABRA privileges. ABRA rules pertaining to prohibition of drugs, surgical alteration or any inhumane treatment of the equine provide for absolute responsibility for an equine’s condition by an exhibitor, trainer, participant and/or the owner, thereby making the exhibitor, participant and/or the owner eligible for possible disciplinary action upon proof of the presence of such prohibited drug by laboratory analysis, existence of surgical alteration or any inhumane treatment of the equine.

ENHANCEMENT OF PENALTY

ABRA reserves the right to independently direct disciplinary action or sanction against individuals coming under its jurisdiction by participation in ABRA-approved shows, contests, race meets or other events. The ABRA Executive Board may enhance or initiate suspension, fine and/or otherwise penalize offenders of ABRA rules and regulations, and/or those of other jurisdictions; and include
owners or lessees who have placed the care and custody of their equines to such offenders.

ABRA’S STATEMENT OF POSITION ON ANIMAL WELFARE THE FOLLOWING MUST BE ADHERED TO:
ANIMAL WELFARE

Every ABRA registered equine, all other equine and all animals, shall, at all times, be treated humanely and with dignity, respect and compassion. Stringent rules established and enforced by ABRA demand that ABRA equine breeders, owners, trainers and exhibitors are continually responsible for the well-being and humane treatment of any ABRA registered equine entrusted to their care. Above all, the ABRA equine’s welfare is paramount to other considerations, and the continual development of procedures that ensure humane treatment of the breed and of all other equines and all animals involved with ABRA approved events, and fair competition supersedes all other concerns. The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures or veterinary standards, would determine to be cruel, abusive and inhumane. The Show manager shall, upon a report of discovery of inhumane treatment, immediately investigate the incident and report it to ABRA. Show management shall make every effort to obtain the concurrence of any ABRA approved judge on the grounds or ABRA authorized personnel, if available.

PROHIBITED CONDUCT

When an exhibitor, owner, and/or his representative acting on behalf of the exhibitor is guilty of unsportsmanlike conduct and/or inhumane treatment of an equine, ABRA can suspend the rights of such exhibitor, owner, and/or his representative acting on behalf of the exhibitor to participate in future approved shows for such a period as judged appropriate. ABRA can bar from participation in any ABRA approved event all animals registered in such suspended person’s name according to ABRA records during the term of his suspension. Unsportsmanlike conduct during an approved event or show, or on show grounds by an exhibitor, owner, or on behalf thereof, is prohibited.

HUMANE TREATMENT

No person shall exhibit any equine which appears sullen, dull, lethargic, emaciated, drawn or overly tired. No person on show grounds, including but not limited to, barns, stalls, practice area and show arena, may treat an equine in an inhumane manner, which includes, but is not limited to:

• Placing an object in a equine’s mouth so as to cause undue discomfort or distress.
• Tying an equine in a manner as to cause undue discomfort or distress in a stall, trailer or when longeing or riding.
• Use of inhumane training techniques or methods; poling or
striking an equine’s legs with objects (i.e. tack poles, jump poles, etc.)
• Use of inhumane equipment, including but not limited to, saw tooth bits, hock hobbles, tack collars, or tack hackamores.
• Any item or appliance that restricts movement or circulation of the tail.
• Intentional inhumane treatment which results in bleeding.

He/she shall account for all of the same by itemized statements in detail, to each annual meeting of the members and to the Board of Directors when demanded. Also, he/she shall cause to be submitted to the Board of Directors, at the first meeting following the annual meeting of the members, a detailed budget for the proposed and anticipated expenditures for the forthcoming fiscal year of the Association. Upon approval of this budget or its modification, it will become binding upon the officers of the Association and cannot be exceeded in the total amount set forth by more than ten percent (10%) without a majority of the Board.

Section 6. AUDITING OF ACCOUNTS: This Association shall conduct its affairs on the calendar year basis, same to begin on January 1, and ending the last day of December. An audit will be made every January for the previous year.

Section 7. VACANCIES: All vacancies in the officers of the Association shall be filled in by the President and affirmed by a majority vote of the Board of Directors for the unexpired term and those so appointed shall serve until the election and acceptance of their duly qualified successors.

ARTICLE V AMENDMENTS
The Board of Directors shall have the power to make, amend and repeal the By-Laws of this Association, by a vote of the Directors at any regular meeting or any special meeting of the Board, subject to the right of the members to amend or rescind any such By-Laws in the same manner as is provided for in Section 10, Article III, for the amendments or revision of rules or regulations.

ARTICLE VI INDEMNIFICATION
The Association shall indemnify and hold harmless any officer, director, and employee of the Association, their personal represen-
tatives and heirs, against reasonable legal expense, judgments, and
expense of settlement which the Association previously approved,
actually and reasonably incurred in connection with an actual or
threatened legal proceeding, if such person acted legally, in good
faith, and was duly authorized to act on behalf of the Association in
the transaction from which legal liability arose, which was official
Association business (except in relation to matters as to which they
shall have been guilty of negligence or misconduct in respect of
the matter in which indemnity is sought). To preserve this right of
indemnity, such person shall immediately notify the Association
of such actual or threatened litigation, whereupon the Association
shall have the right to direct defense thereof, including, but not
limited to, selection of counsel, and direction of
settlement negotiations.

B. DISCIPLINARY PROCEDURES

Section 1. Membership in the Association carries responsibilities as well as certain rights. Any member of the Association may be disciplined, fined or suspended upon a showing of good cause. Any non-member may be denied membership and the privileges relating thereto whenever it shall be established by satisfactory evidence to the ABRA Executive Board that such non-member is not a worthy candidate.

Section 2. Anyone who becomes a member of the Association or is subject to any portion of the By-laws, rules and regulations accepts and agrees to be bound by all the Bylaws, rules and regulations of the Association and all terms and conditions of this Handbook. Section 3. Anyone who becomes a member of the Association or is subject to any portion of the Bylaws, rules and regulations and terms and conditions of this Handbook renounces any recourse, which he or she may have against the Association in connection with the enforcement of those rules. This would include any associated or related corporation, trust or other business entity.

Section 4. Legal actions. Every member, former member an non-member, including any corporation, LLC, partnership, trust, estate or other legal entity that may be subject to these rules at any time, agrees that he, she, or such entity will not commence any action, whether in law or equity, against the ABRA in any courts other than those federal and state courts located in Tulsa County. If unsuccessful in any attempt to overturn any ABRA decisions, actions, rules or regulations, said person or entity agrees to reimburse ABRA for its reasonable attorney fees, court costs and other expenses in connection with the defense of such suit.

Section 5. Disciplinary Procedure. Whenever anyone believes that
conduct at an ABRA approved event of a member or non-member warrants disciplinary actions, or whenever any member believes that he or she has been harmed by a violation of these Rules and Regulations, he or she must file within fifteen (15) days of the actual incident, and/or within fifteen (15) days of having gained knowledge of the incident, a protest in writing with the ABRA office. Any standing committee, as a committee and/or the chairman of that committee, may file a protest for an alleged rule violation that falls within that committee’s domain. In case of these protests, the $100 protest fee is waived. A protest must be signed by an individual or individuals. Timely filing will be determined by the postmark on the envelope. Any protest must be accompanied by a cashiers check, certified check, money order or cash in the amount of $100 to be considered validly filed. A protest may NOT be filed with show results. All protest fees are non-refundable in every instance of protest.

Section 6. Protests.

a. Upon receipt of any validly filed protest in the ABRA office, the ABRA President and Executive Director will designate an ABRA employee or legal counsel to investigate and gather facts, statements and evidence concerning the protest.

b. The designated individual shall cause notification of the protest to be sent to the accused at that person’s last known address according to the ABRA records. The notice shall contain a copy of the protest and shall advise the accused of the disciplinary procedure to be followed.

c. After the designated individual or committee has completed its investigation and all the facts, statements and evidence available have been gathered, the designee shall then submit a report to the appropriate standing committee, if any, for review and recommendation of action. In the event that there is not a standing committee to review the matter, the President shall appoint a committee consisting of three individuals to review the matter and make the recommendations appropriate for the particular protest. The names of all persons reviewing any protest shall be kept in confidence.

d. The appropriate standing committee shall have the authority to choose one of the following two alternatives:

(1) take no action and dismiss the matter, or

(2) send the matter to the Executive Board to hold a full hearing. If it is determined that the matter is not sufficiently serious to warrant a hearing, all parties will be advised accordingly.

e. In the event a hearing before the Executive Board is warranted, the affiliate or person accused of the violation will be given not less than twenty (20) days written notice of a time and place for a hearing before the ABRA Executive Board.

f. In the absence of the physical presence of a sufficient number of members of the Executive Board to constitute a quorum, a telephone conference call may be used in order to achieve a quorum.

g. In the event a quorum cannot be achieved in order to hear a disciplinary matter, the accused may elect to continue with
the disciplinary hearing with less than a quorum or continue the matter until a quorum is achieved.

h. In the event the accused does not elect to continue with the disciplinary hearing with less than a quorum or a quorum cannot be achieved because of disqualifications or refusal by Executive Board members, the President shall appoint additional ABRA members to hear the disciplinary matter, first from the full Board of Directors, and then from the past Presidents.

Section 7. The accused shall have the opportunity to appear in person at the hearing, with or without counsel, and to be heard and to present evidence and testimony on his or her own behalf and to hear and refute any evidence offered against him or her. Should the accused choose to appear at the hearing, the accused does so at his or her own expense. Additionally, any costs associated with counsel for the accused shall be borne by the accused, regardless of the outcome of the hearing.

Section 8. Proceedings before the ABRA Executive Board shall be informal, and rules of evidence, both at common law or provided by Oklahoma rules of civil or criminal evidence, need not be strictly observed. The standard by which admissibility is determined is whether the evidence is such that an ordinary prudent person is willing to rely upon it. As an ABRA member, participant at an ABRA approved event or a person appearing before the Executive Board, the accused person agrees that all witnesses and participants in such hearing shall be immune from any civil liability whatsoever including, but not limited to, libel, slander, invasion of privacy, defamation, or product of disparagement, for testimony given in the course of preparation for or at the hearing.

Section 9. Except as provided elsewhere in these Rules and Regulations, in regard to any violation of ABRA rules and regulations by an individual, the Executive Board shall impose at a minimum the following sanctions:

- First Offense - $1,000 and up to 6 months suspension.
- Second Offense - $2,000 and up to 12 months suspension.
- Third Offense - $3,500 and length of suspension is at the discretion of the ABRA Executive Committee.

In addition to the minimum sanctions set forth above, the ABRA Executive Board shall have jurisdiction to invoke any or all of the following sanctions, including, but not limited to, revocation or denial of membership privileges, revocation of participation privileges in all ABRA approved events, revocation of judge’s card, denial of privilege of access or presence on the show grounds of an ABRA approved event, denial of privilege to advertise in ABRA's official publications, denial of privilege to act as an officer or director of ABRA, and/or an assessment of a fine. In the case of a violation by a show committee, the Executive Board may take such action as necessary to remedy the violation and where appropriate, discipline the organization in question.

Section 10. In the event sanctions or other requirements are imposed and ordered by the Executive Board, such as the return
of prize money, prizes, trophies, etc., the sanctions shall continue beyond the original sanction period imposed and ordered by the Executive Board so long as there is any unfulfilled or uncompleted requirement/sanction. In the event a sanction or requirement is unfulfilled or unsatisfied for sixty (60) days, that person’s membership shall be revoked. After fulfilling all obligations, that person may re-apply for membership, and/or judging.

Section 11. The Executive Board through its President and/or its designee will issue a written order including finding of fact and/or conclusions reflecting the Board’s decision within a reasonable period of time after the close of the hearing. All parties will receive a copy of the order. In the event of any suspension, those findings of facts will be published in the Association’s publication.

Section 12. When a member is disciplined by probation, the order of the Executive Board will be presented to the ABRA Board of Directors and the name of such member or non-member will be published in the official ABRA publication.

Section 13. Any suspended member of the ABRA will not be allowed to participate in any ABRA sponsored or approved event as an owner of an ABRA registered equine, rider, or act as an agent in connection with any ABRA sponsored or approved event. In the event a suspended member enters an approved event during the period of suspension either as owner, rider or agent, the ABRA Executive Board will impose an additional six (6) month period of suspension and all show winnings/and or points will be forfeited.

Section 14. If the ABRA Executive Board deems the submission of a protest to be malicious and/or frivolous, appropriate disciplinary action may be taken.

Section 15. Any member interfering with or attempting to influence the outcome of a protest investigation or hearing may be subject to disciplinary action by the ABRA.

Section 16. The decision and action of the ABRA Executive Board shall be final and binding upon all parties.

Section 17. All disciplinary hearings shall be held at the principal office of the ABRA, or any other location as determined by the ABRA Executive Board.

1. CAUSES FOR DISCIPLINARY ACTION

Section 1. A member of the association shall not abuse or mistreat any equine in any manner whatsoever on the show grounds. Abuse is defined as an action, or failure to act, which a reasonably prudent person, informed and experienced in the customs, accepted training techniques and exhibition procedures, would determine to be cruel, abusive, inhumane or detrimental to the equine’s health.

Section 2. Individuals will be subject to the disciplinary procedures set forth in Article B if it is determined that there was a willful abuse of the equine under any of the following circumstances: The individual physically participates in the abuse of the animal or shows the equine in a condition to be considered abuse. The individual designates himself or herself as the exhibitor on the show entry form.
2. UNSPORTSMANLIKE CONDUCT

Section 1. Unsportsmanlike conduct will not be tolerated. Un- sportsmanlike conduct shall be defined as any action of disrespect, deceit or fraud directed to judges, show management, show representatives, the ABRA members or other exhibitors. Individuals accused of unsportsmanlike conduct will be subject to the disciplinary procedures set forth in Article B.

3. FORFEITURES

Section 1. Any rider participating in a class or a division in which he/she is not eligible (or the equine he/she is riding is not eligible) will be placed on probation for 30 days for the first offense. Second offenses will result in a three (3) month suspension and a fine of $200. When an equine/rider is found to be ineligible, ABRA points will be forfeited. It is the responsibility of the ineligible and/or disciplined exhibitor and/or owner to return all forfeited prizes and awards to the appropriate show secretary.

4. FAILURE TO PAY

Section 1. Any member may be suspended and denied privileges of the Association and any non-member may be denied privileges of the Association for failure to pay when due, any obligation owed to the Association, or any ABRA approved show, for failure to pay entry fees, stall fees, office charges, premiums or any other fees or charges connected with the exhibition of equines; provided, however that fifteen (15) days before action, written notice of the account due and the intention to suspend and withhold privileges of the Association shall be delivered to such member or non-member. This provision includes the payment of any costs, fees, or obligations for a check that is returned to the ABRA or any show or Charter Club that has been deemed by a bank to be paid by an account that contains non-sufficient funds.

Section 2. Any suspension and denial of privileges under this section shall terminate upon full payment of the obligation due.

5. COURT OF LAW CONVICTIONS

Section 1. A conviction of an individual under municipal, county, state or federal law, whether or not the ABRA is involved, may subject the convicted person to discipline by the ABRA Executive Board under the terms set forth in Article B.

Section 2. Any discipline imposed will be stayed pending completion of any statutory appeals. Acceptance of a conviction by ABRA will be given after notice to the sanctioned individual or entity, who may request a hearing before the ABRA Executive Board to present lack of due process by the convicting court of law to merit ABRA’s refusal to impose discipline.

6. CONVICTIONS BY OTHER EQUINE ORGANIZATIONS

Section 1. ABRA Executive Board may accept suspension rulings pertaining to cruel or inhumane treatment of equines from other recognized equine related associations.

Section 2. The effect of such acceptance is to suspend the individual from ABRA membership privilege, or for non-members, to deny membership privileges for a length of time equal to the suspension
for which reciprocity is given. Acceptance of such rulings by ABRA will be given after notice to the sanctioned individual or entity, who may request a hearing before the ABRA Executive Board to present lack of due process by the reporting association to merit ABRA’s refusal to give reciprocity.

7. GENERAL NOTICE PROCEDURE

Section 1. Notice required by these rules and regulations may be served by delivering a copy of the notice to the person to be served, either in person, or by mail, postage prepaid, to his last known address as it appears on the Association’s records, and upon mailing, such notice shall be deemed received by such person when it is deposited in the United States mail. It shall be the members responsibility to keep the Association advised of the member’s current address and any subsequent change of address.

C. DRUGS AND MEDICATIONS

THERAPEUTIC MEDICATION ADDENDUM (DOES NOT APPLY IF PROHIBITED BY GOVERNMENTAL REGULATIONS) EXHIBITORS, OWNERS, TRAINERS AND VETERINARIANS ARE CAUTIONED AGAINST THE USE OF MEDICINAL PREPARATIONS, TONICS, PASTES AND PRODUCTS OF ANY KIND, THE INGREDIENTS AND QUANTITATIVE ANALYSIS OF WHICH ARE NOT SPECIFICALLY KNOWN, AS MANY OF THEM MAY CONTAIN A FORBIDDEN SUBSTANCE.

1. FORBIDDEN DRUGS OR SUBSTANCES:

a. Any drug or substance considered a Class I or Class II substance as defined in the most recent edition of Association of Racing Commissioners Internationals (ARCI) Uniform Classification Guidelines for Foreign Substances.

b. Any stimulant, depressant, tranquilizer or sedative which could affect the performance of an equine (stimulants and depressants are defined as substances that stimulate or depress the cardiovascular, respiratory or central nervous system), including CBD compounds.

c. Any substance, regardless of how harmless or innocuous it might be, that might interfere with the detection or quantization of any substance defined in (A), (B) or (C). Any anabolic steroid in halter classes, section (2) below does not apply.

d. Any non-steroidal anti-inflammatory drug (NSAID) other than those listed in section (3)(C)(1-8) below.

e. Any metabolite and/or analog of any of the above described forbidden drugs or substances.

2. CONDITIONALLY PERMITTED THERAPEUTIC MEDICATION:

Any drug, medication or substance that could affect the performance of an equine that is used for the legitimate treatment of illness or injury and is not specified as a forbidden substance as defined in sections (l)(a) or (l)(e) above. HOWEVER, THESE DRUGS OR SUBSTANCES ARE FORBIDDEN AND USE THEREOF SUBJECTS THE PERSON TO DISCIPLINARY ACTION, UNLESS ALL CONDITIONS OF THEIR ADMINISTRATION ARE MET. Each of the following requirements is a condition to authorize administration of conditionally permitted therapeutic medications, which shall be verified in a
written medication report, available from ABRA or show management, completed in its entirety, and filed with show management before exhibition of the equine (see C through J below):

a. Administration by a veterinarian who is licensed to practice veterinary medicine in the state, province or country where the event is being held (“Licensed Veterinarian”) or from a written prescription (written instructions) by a Licensed Veterinarian which documents administration of medication is necessary for the legitimate treatment of illness or injury. The administration of a conditionally permitted therapeutic medication for the purpose of transport, grooming, training, etc. is not therapeutic under this authorization rule.

b. The equine must be withdrawn and kept out of competition for not less than 24 hours after the medication is administered.

c. Identification of the medication: the name, amount, strength/concentration and mode of administration.

d. Date and time of administration.

e. Identification of the equine: name, age, sex, color and entry number.

f. Diagnosis of illness/injury, reason for administration, and name of administering and/or prescribing AAEP veterinarian.

g. Signature of veterinarian or person administering the medication. If by prescription (written instructions), a copy must be attached to the medication report.

h. The medication report must be filed with show management within one hour after administration of the medication or one hour after show management is available, if administration occurs at a time other than during competition hours.

i. The medication report must be signed by show management and time of receipt recorded on the report.

j. While the medication report must be filed only if the administered medication will be present in amounts detectable in blood and/or urine samples at the time of competition/sampling, exhibitors are hereby cautioned it is their responsibility to determine whether or not such medication has had time to clear the equine’s system. IF THERE IS ANY DOUBT, A MEDICATION REPORT SHOULD BE FILED.

k. Regardless of whether the medication report requirements described above are met, laboratory detection of concentration levels of an otherwise conditionally permitted therapeutic drug that are inconsistent with the administration of a therapeutic dosage of such drug (including, but not limited to, inconsistencies regarding reported dosage and time constraints) shall constitute presumption of a violation of this rule, and the responsible party has the burden of persuasion to establish that the drug was administered in a therapeutic dosage and not less than 24 hours prior to competition.

l. Regardless of whether all of the conditionally permitted therapeutic medication requirements listed in section 2 are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the permitted NSAIDs listed in section (3)(C)(1-8) below.
3. RESTRICTIONS concerning the use of conditionally permitted therapeutic medications that may be administered within 24 hours of showing:

a. Subject to the specified restrictions, only those twelve (12) drugs or medications listed in section (3)(C)(1-12) below may be administered within 24 hours of showing. The provisions in (3)(C)(1-12) below contain rules concerning maximum allowable plasma concentration levels followed by “Guidelines”. The Guidelines are applicable to most equines. Nevertheless, reliance upon the Guidelines does not guarantee compliance with the rules, since the response of individual equines may vary. Exhibitors, owners, and trainers should consult the drug manufacturer and knowledgeable veterinarians for up to date information and more specific advice concerning the therapeutic use of a drug or medication for a particular equine. THESE GUIDELINES, IF HEEDED, WILL MINIMIZE THE CHANCES OF POSITIVE DRUG TESTS. HOWEVER, ALL RESPONSIBLE PARTIES ARE CAUTIONED THAT THE GUIDELINES ARE ONLY GENERAL GUIDELINES, AND IT IS THEIR RESPONSIBILITY TO SEE TO IT THAT CONDITIONS PREVAIL FOR FULL COMPLIANCE WITH ALL ABRA RULES. RELIANCE UPON THE GUIDELINES WILL NOT SERVE AS A DEFENSE TO A CHARGE OF VIOLATION OF THE RULE IN THE EVENT OF A POSITIVE DRUG TEST. Should the testing laboratory report the presence of one of the drugs or medications listed in section (3)(C)(1-12) below in an amount greater than what would be consistent with the Guidelines or at a level higher than a specified maximum permitted plasma concentration, the matter will be reviewed and disciplinary action may be taken Regardless of whether all of the conditionally permitted therapeutic medication requirements for a specific NSAID listed in section (3)(C)(1-8) below are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the NSAIDs listed in section (3)(C)(1-8) below.

3.1 Only those twelve (12) drugs or medications listed in section (3)(C)(1-12) below may be administered within 24 hours of showing:

1. Phenylbutazone (an NSAID) - The maximum permitted plasma concentration of phenylbutazone is 15.0 micrograms per milliliter. Guidelines: When phenylbutazone is administered, the dose should be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 2.0 milligrams per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum daily dose is 2.0 grams, which equals two 1.0 gram tablets, or two 1.0 gram units of paste, or 10.0 cc of the injectable (200 milligrams per milliliter). Neither a total daily dose nor part of an injectable dose should be administered during the twelve (12) hours prior to competing. In the event the Phenylbutazone is administered orally, half of the maximum daily dose (1.0 gram per 1,000 lbs) can be administered each twelve (12) hours during a five day treatment program. Phenylbutazone should not be used for more than five (5) successive days.
2. **Diclofenac (Surpass) (an NSAID)** - The maximum permitted plasma concentration of Diclofenac (Surpass) is 0.005 micro grams per milliliter. Guidelines: Every twelve (12) hours, not more than 73 mg of diclofenac liposomal cream should be administered (not more than 146 mg per 24 hour period) to one affected site. This 73 mg dose equals a 5-inch ribbon of cream not greater than ½ inch in width, which should be rubbed thoroughly into the hair over the joint or affected site using gloved hands. Administration of diclofenac cream should be discontinued twelve (12) hours prior to competing. Do not apply diclofenac cream in combination with any other topical preparations including DMSO, nitrofurazone or liniments, and do not use on an open wound. Diclofenac cream should not be administered for more than ten (10) successive days.

3. **Flunixin (an NSAID)** - The maximum permitted plasma concentration of Flunixin is 1.0 micro gram per milliliter. Guidelines: When Flunixin Meglumine (Banamine®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 0.5 milligrams per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 500 milligrams, which equals two 250 milligram packets of granules, or one 500 milligram packet of granules, or 500 milligrams of the oral paste (available in 1,500 milligram dose syringes), or 10.0 cc of the injectable (50 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed must be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five (5) successive days.

4. **Ketoprofen (an NSAID)** - The maximum permitted plasma concentration of Ketoprofen is 40.0 nanograms per milliliter. Guidelines: When Ketoprofen (Ketofen®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 1.0 milligram per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 1.0 gram, which equals 10.0 cc of the injectable (100 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. The medication should not be used for more than five (5) successive days.

5. **Meclofenamic Acid (an NSAID)** - The maximum permitted plasma concentration of Meclofenamic Acid (Arquel®) is 2.5 micro grams per milliliter. Guidelines: When Meclofenamic Acid is administered, the dose should be accurately calculated according to the actual weight of the animal. Each twelve (12) hours, not more than 0.5 milligram per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum twelve (12) hour dose is 0.5 gram, which equals one 500 milligram packet of granules. The medication should not be used for more than five (5) successive days.

6. **Naproxen (an NSAID)** - The maximum permitted plasma concentration of Naproxen is 40.0 micro grams per milliliter. Guidelines: When Naproxen is administered, the dose should
be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 4.0 milligrams per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 4.0 grams, which equals eight 500 milligram tablets. No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed should be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five (5) successive days.

7. Firocoxib (Equioxx) (an NSAID) - The maximum permitted plasma concentration of Firocoxib (Equioxx) is 0.240 micrograms per milliliter. Guidelines: When Firocoxib (Equioxx) is administered, the dose should be accurately calculated according to the actual weight of the animal. For a 1,000 pound animal, the maximum daily dose is 45.5 milligrams, which equals 0.1 milligram per kilogram of body weight once daily. No part of a dose should be administered during the twelve (12) hours prior to competition. Firocoxib (Equioxx) should not be administered for more than fourteen (14) successive days.

8. Acetazolamide - may only be administered to equines documented through DNA testing to be positive (N/H or H/H) for HYPP (Hyperkalemic Periodic Paralysis). While these rules do not contain a maximum allowable plasma concentration level for Acetazolamide, laboratory detection of levels of Acetazolamide that are not consistent with administration in accordance with the following Guidelines may result in prosecution of a rule violation. Guidelines: When Acetazolamide is administered, the dose should be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 3 milligrams per pound of body weight should be administered. For a 1000 pound animal, the maximum daily dose is 3 grams.

9. Furosemide or Lasix® - The maximum plasma concentration of Furosemide is 100 nanograms per milliliter. Every 24 hours, the dose should not exceed 500 mg. When used, Furosemide must be administered intravenously at least four (4) hours prior to competition. Medication report must be filed with show management as required in this section.

10. Isoxsuprine - Guidelines: When administered, the dose should be accurately calculated according to the actual weight of the animal. Every 24 hours, not more than 1.6 milligrams per pound of body weight should be administered (usually divided in two equal doses given twelve (12) hours apart). For a 1,000 pound animal, the maximum daily dose is 1,600 milligrams, which equals 80 20-milligram tablets. No part of a dose should be administered during the four (4) hours prior to competing. Any medicated feed should be consumed and/or removed at least four hours prior to competing.

11. Lidocaine/Mepivicaine - may only be used under actual observation of event management (or designated representative) and/or the official show veterinarian, either of which must sign the medication report form, to aid in the surgical repair of minor skin lacerations which, by their very nature, would not prevent the equine from competing following surgery. Medication report
form must be filed with show management as required in Section 2 above.

12. **Dexamethasone** - The maximum permitted plasma concentration is 3.0 nanograms per milliliter at the time of competition. Guidelines: In order to help trainers, owners and their veterinarians achieve compliance with this rule in connection with the therapeutic use of dexamethasone, it should be administered in accordance with the guidelines below. These guidelines include several alternative scenarios for dose time and route of administration. Whenever dexamethasone is administered, the dose should be accurately calculated according to the actual weight of the animal. Alternative Number 1. (2.0 mg or less per 100 pounds IV or IM at 12 or more hours before competition). Every 24 hours, not more than 2.0 milligrams of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously or intramuscularly, preferably less. For a 1,000 pound animal, the maximum daily intravenous or intramuscular dose of dexamethasone injectable solution is 20.0 milligrams, which equals 5.0 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the twelve (12) hours prior to competing. Dexamethasone should not be administered for more than five (5) successive days. Alternative Number 2. (0.5 mg or less per 100 pounds IV at 6 or more hours before competition). Every 24 hours, not more than 0.5 milligram of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously, preferably less. For a 1,000 pound animal, the maximum daily intravenous dose of dexamethasone injectable solution is 5.0 milligrams, which equals 1.25 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the six (6) hours prior to competing. Dexamethasone should not be administered for more than five successive days. Alternative Number 3. (1.0 mg or less per 100 pounds orally at six (6) or more hours before competition). Every 24 hours, not more than 1.0 milligram of dexamethasone powder per 100 pounds of body weight should be administered orally, preferably less. For a 1,000 pound animal, the maximum daily oral dose of dexamethasone powder is 10.0 milligrams, which equals one packet of dexamethasone powder (10.0 milligrams per packet). No part of this dose should be administered during the six (6) hours prior to competing. Any medicated feed should be either consumed or removed at least six (6) hours prior to competing. Dexamethasone should not be administered for more than five (5) successive days.

Administration of these drugs does not require that the equine be withdrawn and kept out of competition for a period not less than 24 hours after the medication is administered, nor is there a requirement that a medication report be filed with show management, except when Lidocaine/Mepivacaine is used (see (ll) above.)

4. **RESPONSIBLE PARTIES.** All owners, trainers and exhibitors are accountable for the condition of any equine which they enter or allow to be entered in any ABRA sponsored or approved event or
event held in conjunction with an ABRA approved show, whether or not the event is approved by ABRA. Such persons are hereafter referred to as “responsible parties.” By voluntarily entering an equine in an ABRA approved or sponsored event or event held in conjunction with an ABRA approved show, whether or not the event is approved by ABRA, the responsible parties are presumed to know all rules and regulations of the Association. Based on their accountability for their equine’s condition, all responsible parties are subject to disciplinary action any time a prohibited substance is detected at an ABRA approved or sponsored event, regardless of the reason the prohibited substance has been administered, and whether or not the responsible parties had actual knowledge of the administration or presence of the prohibited substance.

5. INVOLVED PARTIES. In addition to the “responsible parties” as that term is used in this rule, any person who administers, aids in the administration, causes to be administered, or conspires in the administration of any prohibited substance will be subject to disciplinary action. Such persons are hereafter referred to as “involved parties.”

All drug testing of ABRA approved events will be done under the direction of the ABRA designated representative unless the show is being conducted in a state whose government has established drug testing procedures. Those shows that are tested by the ABRA will be selected at random by the ABRA office, however, the show management of any ABRA event can request that a show be tested if show management agrees to be responsible for the cost associated with the testing. Any drug testing performed at the request of show management will be conducted by the designated show management representative.

7. LABORATORY INTEGRITY. It shall be presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it was sent is the one taken from the equine in question, that its integrity has been preserved, and that all the procedures of the collection and preservation, transfer to the laboratory, analysis of the sample and report received from the laboratory pertaining to the equine in question is presumed to be accurate and correct reflections of the condition of the equine during the show in which the equine was entered. The burden will be on the responsible or involved parties to rebut the aforesaid presumption in a hearing conducted by the Association’s Executive Committee or its appointed committee.

8. REQUEST FOR SPECIMEN. A request by the ABRA representative or its designee to take a specimen of urine, saliva, blood or other substance for testing shall not be refused by any person. Refusal to comply with such a request will constitute grounds for immediate disqualification of an equine from further participation in the show and will also be considered a positive drug test for purposes of this rule. Artificial induction of urination is at the option of the owner/agent.

9. COOPERATION WITH ABRA REPRESENTATIVE. Cooperation
with the ABRA approved veterinarian and/or his agents and/or Association representative shall include, but not be limited to:

a. Taking the animal immediately to the location selected by the appointed veterinarian and/or his agents for testing the equine and present it for testing and presenting the registration certificate or a photocopy for the veterinarian’s report.

b. Assist the veterinarian and/or his agent in procuring the sample promptly including but not limited to: removing equipment from the equine, leaving it quietly in the stall and avoiding distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type may be construed as non-cooperation.

c. Polite attitude and actions toward the veterinarian and/or his agents and/or Association representative.

d. Failure to cooperate will be considered a refusal.

10. EQUINES SUBJECT TO EXAMINATION. Equines in competition at any ABRA sponsored or approved event or event held in conjunction with an ABRA approved show, whether or not event is approved by ABRA, are subject to examination by a licensed veterinarian or an Association representative who must be approved by the ABRA. The examination may include positive identification, physical saliva, urine, blood tests, or other tests or procedures at the discretion of said licensed veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all equines in the class(es) in a show, or any equine entered in any class, whether in competition or not, or any equine scratched or withdrawn or which simply fails to appear for competition, by any other exhibitor within 24 hours prior to the class for which it has been entered. An equine which has been withdrawn from competition may be administered a prohibited substance provided the prohibited substances is declared to show management prior to a requested drug testing.

11. TEMPORARY SUSPENSION. At such time as the ABRA receives written notification of a positive drug test involving a violation of the rule, all “responsible parties” will immediately be placed on temporary suspension and denied all privileges of the Association, pending hearing on the matter. The ABRA will mail written notification of this action to the responsible parties and will also give notification via the telephone when possible. Any responsible party will be charged a $400 restitution upon receipt of notice to ABRA of a positive drug test.

a. Post Bond. Each responsible party may post a $500 bond at which time that party will be allowed to participate in all ABRA events and activities until such time as a hearing is held.

b. Certified Check. The $500 bond must be in the form of a certified check or money order made payable to the ABRA. The bond will become effective at such time as it is received in the ABRA office.

c. Bond Returned. If is it determined after the hearing that there has been no violation of this rule, the $500 bond will be returned. If it is determined after the hearing that there has
been a violation of this rule, the $500 bond will be automatically forfeited to the ABRA. This bond forfeiture is in addition to any other penalties or disciplinary action that may be taken against the responsible or involved parties.

12. EQUINE SUBJECT TO PENALTIES. The equine involved, as well as the responsible or involved parties, may be subject to, but not limited to the following penalties where appropriate:
   b. Forfeiture. Forfeit awards, and/or monies, and/or points and/or placings.
   c. Certificate Relinquishment. Relinquishment of the equine’s registration certificate to the Association for a specific period of time. (RR) REGISTRATION RULES

The Bylaws and Rules affecting registration of Buckskin, Dun, Red Dun, Grulla and Dunalino horses, miniature horses, ponies and mules shall be subject to change only by the Board of Directors. Any time the word “Buckskin” is used in this handbook in reference to any rule or regulation, it shall include all of the horses, miniature horses, ponies and mules eligible for ABRA registration.

A. ACCEPTABLE TYPE AND CONFORMATION:

Section 1. The Buckskin is found in all types of equine and for this reason all types are eligible for registration. ABRA registers light (not draft) horses. For the purpose of this provision, a draft horse...
shall be any horse which by reason of its weight, conformation or bone structure, is fitted for heavy work. An ideal Buckskin is that equine which most closely represents the ideals of its particular breed type.

Section 2. ABRA registers Miniature horses, Ponies and Mules in a separate section of the registry. Miniature horses, Ponies and Mules may not compete in horse classes, but they will follow the rules and regulations as set forth in the horse section for their respective classes.

Section 3. Horses must be at least 56 inches (14 hands) at four (4) years of age. Miniature horses measuring 38” or less at the last mane hair will be put in the Miniature Horse Division. Horses under 56” (14 hands) at the wither will be put in the Pony Division. All other rules will apply unless stated otherwise. Any time the word ‘Equine’ is used in this handbook in reference to any rule or regulations, it shall include all horses, miniature horses, ponies and mules.

For example: An equine foaled anytime in 1960 was considered to be one (1) year old on January 1, 1961.

C. AMENDMENTS

Section 1. These Rules and Regulations, except those pertaining to registration of an equine, may be amended at any time by change, addition, or repeal by majority vote of the Board, but only after proposal of specific amendment shall have been submitted to an appropriate committee for study and report, or by the unanimous vote of the Board without such committee reference.

D. ARTIFICIAL INSEMINATION

Section 1. Any stallion owner failing to comply with the requirements listed below may be subject to disciplinary action by the ABRA Board.

Section 2. If, in the opinion of the ABRA Board, there is justifiable cause to question parentage of a foal resulting from artificial insemination, the Board may require the foal, sire, or dam to be blood typed if a pedigree is to be shown on the registration certificate. The results of this test, together with such other information as may be available, may be taken into consideration by the Board in its determination of the foal’s parentage as recognized by the ABRA. Such blood typing shall be done by an organization approved by ABRA at the expense of the foal owner.

E. BREEDER

Section 1. The breeder of an equine shall be the owner of the dam at the time of service, except when a mare is held under lease, in which event the certificate of registration shall show the lessee-breeder as the breeder.
1. BREEDER’S CERTIFICATE

Section 1. Applications submitted on all animals for registration must have a breeder’s certificate signed by the owner of the sire and the owner of the mare (at time of service), IF PEDIGREE IS TO BE LISTED AS PROVEN. If proof of pedigree is not furnished, pedigree given will be listed as “unproven” or “unknown”. All foals sired or produced by ABRA registered stallions or mares MUST have a signed breeder’s certificate or foal will not count towards that stallion’s or mare’s Permanent certificate.

Section 2. A mare served by more than one stallion during the season must have a breeder’s certificate signed by the owner of each stallion’s dates of services.

Section 2. REQUIREMENTS:

The equine must have at least one of the following that meets ABRA’s Regular Registry guidelines; Sire, Grand Sire, Dam or Grand Dam. Section 1. Should a current individual member wish to file a formal protest regarding a equine’s color eligibility, that individual must: Notify the ABRA office in writing of such protest being specific as to color, sex, owner’s name, equine’s name and reason for protest. Submit a $50.00 (fifty dollar) protest fee which is non-refundable should the ABRA Board of Directors not uphold the protest.

Section 2. Upon written notification to ABRA on questionable color eligibility, the ABRA office shall ask the owner for an updated set of
photographs. These photos shall be examined by the ABRA Board of Directors. Should reasonable doubt remain as to an animal’s eligibility, a disinterested inspector will be assigned to conduct an individual inspection of the animal in question, at the expense of the owner. If the Board determines that the equine is ineligible for continued registration, the owner may request a review of the decision by filing a $100.00 (one hundred dollar) fee and state the reasons for a request of such action. In the review, if the Board finds in favor of the owner, the $100.00 (one hundred dollar) fee will be refunded; if the Board upholds the original decision, the $100.00 (one hundred dollar) fee will be forfeited.

Section 3. If the Board determines that the equine no longer meets the color criteria, the equine will be transferred to the Identification Section and will no longer be allowed to compete in ABRA approved classes.

   a. Quality of movement;
   b. Manners/Expression/Attitude;
   c. Conformation suitable to future performance and the equine should be judged with its suitability as a future performer under saddle in mind. This class should define what it means to be a “western pleasure prospect” or “hunter under saddle prospect.” Because these are young equine, they are not expected to demonstrate the behavior or quality of a finished show equine, but only that performance necessary for a reasonable presentation to the judge.

Section 5. Class Format. The class will consist of two parts:
1. A conformation inspection and;
2. A longe line demonstration lasting one and one-half minutes (90 seconds).
   a. Show Management is required to provide a five (5) minute warm-up period for all exhibitors.
   b. The conformation inspection will occur prior to the longe line demonstration. Each entry will be walked into the arena to the judge and pause for evaluation individually. They will then trot off straight and around a cone and take a place on the wall inside the arena. All entries will be inspected in this fashion and as the “trot-off” is administered, equine showing evidence of lameness should be excused from the class at that time;
   c. It is suggested that all yearling longe line classes be held in a one go format only.
   d. The use of a scribe for each judge is strongly recommended; The longe line demonstration will begin at the sound of a whistle or other audible indicator when the equine has reached the perimeter of his circle. Time will not begin until the equine reaches this perimeter. When the “begin” signal is given, the exhibitor will be allowed 1 and ½ minutes (90 seconds) to present the equine at all three gaits in both directions. At the end of 1 ½ minutes, the signal will be given to signify the end of the demonstration. Show management
has the option of adding a “half-way” signal if they choose; It is recommended that longe line classes be shown in splits of no more than 15 equines at a time. Larger classes may also offer a finalists’ go-round before the class is placed.

Section 6. Equipment. Equine are to be shown in a halter. Either a regular or a show-type halter is acceptable.

a. For the longeing demonstration, the only attachment allowed to the halter is a longe line. The longe line may not exceed 30 feet with a snap attached to the halter. The longe line must hang free from the halter without touching any part of the equine. It is permissible to use a longe whip however, disqualification will occur if the exhibitor blatantly strikes the equine with the whip to cause forward or lateral movement at any time during the longe line demonstration;

b. No other equipment is allowed on the equine during the longe line demonstration portion of the class. Mechanical or retractable longe lines are not allowed;

c. For the conformation inspection, a lead shank, such as used in halter or showmanship classes may be exchanged for the longe line prior to the longeing demonstration. No lip chains will be allowed.

d. Exhibitors are not to be penalized for using regular halters and plain longe lines, nor are they to be rewarded for using show halters and show longe lines. Only movement, manners/expression/way of going, and conformation are being judged. The type of equipment used is not to be a consideration in placing the equine as long as the equipment meets the requirements stated above.

Section 7. Attire.
Conventional Western attire is mandatory; except if a prospect is considered to be a Hunter prospect then conventional English attire is suggested. The type of attire worn by the exhibitor is not to be a consideration in placing the equine as long as the attire meets the requirements stated above.

Section 8. Conformation & Equipment Inspection. Each equine is to be inspected by the judge on conformation, proper equipment and for evidence of abuse, inhumane treatment, or violation of ABRA rules. Equine will not be allowed to show in illegal equipment or if there is evidence of abuse, of inhumane treatment, or of rule violations. It is mandatory that an equine must be tracked at a walk and jog/trot in the conformation portion of the class prior to longeing. Equine that show evidence of lameness will be excused prior to the longe line demonstration.

Section 9. Judging Procedures. Judge(s) will be outside the longe line circle.

a. The exhibitor will enter the longeing area and await the audible start signal. When the signal is given, the exhibitor will be allowed 1 ½ minutes (90 seconds) to present the equine.

b. At the end of 1 ½ minutes a signal will be given again to signify the end of the demonstration.
c. Show management has the option of adding a “half-way” signal if they choose. (The signal may be a bell, whistle or announcement.)

d. Once the class has started, an equine warming up prior to their go may only warm up at the walk.

e. The equine will be scored at all three gaits in both directions.
   1. Western Pleasure prospects are to show at the walk, jog, and lope.
   2. Hunter Under Saddle prospects are to show at the walk, trot, and canter.

f. Any equine that does not exhibit these gaits in each direction will be disqualified from the class. Additionally, the judge shall immediately excuse any equine who exhibits obvious lameness at any time during the class. (See Scoring.)

   5. Suitable to their purpose and use of circle (6 points).

h. Judges should evaluate the movement of the equine as defined in the ABRA rules for gaits.

i. If the equine is playing on the longe line, it shall not count against the equine. The judge will, however, penalize the equine for excessive bucking, or running off, stumbling, or displaying attitudes that are uncomplimentary to pleasure equine.

**Section 10. Scoring.**

10.1 The official ABRA Longe Line Scoring sheet must be used in each approved class by each judge. Use of a scribe for each judge is strongly recommended. The score sheet or a copy will be posted at the end of the class. These sheets will be returned with the ABRA show results. The equine with the highest scores are the winners, with the maximum possible total score of 60 and 30 being average. The judge(s) have the sole discretion to use their own personal preference to break any ties in total points.

   a. The show management is responsible for verifying all scores and totals. If errors in tabulation have occurred they should be immediately corrected and new placings announced at the event.

   b. Judges must sign every completed score sheet.

10.2 Movement will count for 34 points of the total score. Judges are to evaluate movement based on the gait descriptions:

   a. Walk. The walk will be scored on a scale of 1-3 in each direction, with 2 being average. The equine must be walked long enough for the judge to have sufficient time to evaluate and score the walk. Lower gait scores should reflect stumbling in the gait;

   b. Jog or Trot. The jog/trot will be scored on a scale of 1-7 in each direction. Using a 25’ radius, the equine should jog or trot a minimum of 1/2 circle both directions of the ring. Lower gait scores should reflect stumbling in the gait;
c. Lope or Canter. The lope/canter will be scored on a scale of 1-7 in each direction. Using a 25’ radius, the equine would lope or canter a minimum of one full circle both directions of the ring. Lower gait scores should reflect stumbling in the gait.

d. Use of Circle. Scores for all gaits in both directions should reflect positive, consistent use of the 25’ radius of the circle. Extra credit will be given for full, extended use of the circle on a slightly loose line. Lower gait scores should reflect lack of full use of the circle.

e. Manners/Expression/Attitude will count for up to 14 points of the total score. Equine will be penalized for obvious signs of overwork and sourness such as ear-pinning, head-throwing, striking, tail-wrangling, or a dull, lethargic manner of going. They will also be penalized for dangerous behavior such as excessive bucking, cutting into the circle, or running off. Additionally, incidental touching the equine with the whip, cross-cantering, balk ing, backing up on the longe line and excessive urging from the exhibitor should be penalized accordingly.

10.3 Conformation will count for up to 6 points of the total score. Performance conformation will be judged on a scale of 1-6.

10.4 Use of the circle. Consideration will be given to how well or how poorly the equine/exhibitor team uses the 25’ radius of the longe line circle. A separate box on the scorecard is available to indicate an overall score (from 1-3 points) for use of the circle.

10.5 Circle Scores. As described earlier, the ABRA has determined that a 25’ radius is the appropriate size of circle in which to show a longe liner. It is the judge’s responsibility to evaluate the circles and incorporate use of the circle in the gait scores based on the following scale:

+3 points (Good to Excellent Use of the Circle)
  a. Equine consistently stays on the perimeter of the circle with slight looseness in the line.
  b. Equine turns around on the circle perimeter;

+2 points (Average use of the circle)
  a. Equine is only slightly inconsistent in using the 25’ radius of the circle;

+1 point (Adequate use of the circle)
  a. Equine is shown in a circle radius of less than 25’;

0 points (General use of the circle)
  a. Potentially dangerous slack in the line;
  b. Equine pulls exhibitor out of the circle.

Other scoring considerations: This class should be looked upon as a class that defines what it means to be a “pleasure prospect” or “hunter prospect” suitable to become a future performer under saddle. Therefore, attitudes and attributes that contribute to becoming a future performer will be rewarded within the gait scores.

Higher gait scores will reflect:
  a. Above average to exceptional manners, expression, alertness, responsiveness,
  b. and pleasant attitude;
  c. Above average to exceptionally smooth transitions between gaits;
d. Above average to excellent cadence and consistency at all three gaits.

10.6 Penalties and disqualifications:
   a. Five (5)-point penalties will occur per direction:
   b. Failure to walk less than two equine lengths.
   c. Failure to jog/trot a minimum of 1/4 (quarter) of a circle.
   d. Failure to demonstrate the correct lead for a minimum of 1/4 (quarter) of a circle.

Disqualification will occur in the following instances:
   a. Evidence of lameness - judge will immediately excuse equine from the arena;
   b. Blatant striking equine with the whip during the long line demonstration that will cause forward or lateral movement;
   c. Fall to the ground by equine. An equine is deemed to have fallen when its shoulder and/or hip and/or underline touches the ground;
   d. Equine steps over or becomes entangled in the longe line;
   e. Improper equipment, evidence of abuse, or other violation of ABRA rules;
   f. Failure to show at all three gaits in both directions;
   g. Loss of control of the equine to the point that the equine is loose in the arena;
   h. Exhibitor shows disrespect towards the judge(s).

Figure 1: Pattern for Conformation Inspection and Trot-Off for Soundness.

1. Equine is walked to first cone and pause for conformation inspection.
2. After inspection, the equine is trotted around second cone to the side of the arena.
3. Stop and retire to end of arena to wait for longe line demonstration.

8. ENGLISH CLASSES

8.1 HUNT SEAT EQUITATION; AMATEUR & YOUTH

Section 1. Available only in the amateur and youth divisions. The purpose is to evaluate the ability of the hunter rider to perform various maneuvers on his/her equine which provides a base for natural progression to over fence classes. The communication between equine and rider through subtle cues and aids should not be obvious. Equitation is judged on the rider and his/her effect on the equine. Hunt seat equitation on the flat provides a base for a natural progression to over fence classes. The poll should be level with, or slightly above the withers, to allow proper impulsion behind. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

Section 2. Pattern. It is mandatory that the judge post the pattern at least one hour prior to commencement of the class. The pattern should be designed so the majority of exhibitors can perform it in a reasonable length of time (under 60 seconds). All patterns must include a trot and canter. Patterns used in classes for riders 13 and under should use maneuvers from Group #1 and/or Group #2.
Equine gaits are to be ridden with the same cadence and speed as you would find in the rail phase. All ties will be broken at the discretion of the judge.

**Section 3.** Class Procedure. Exhibitors may be worked individually from the gate or they may all enter at once but a working order must be drawn regardless. The entire class, or only the finalists may work at all three gaits at least one direction of the arena at judge’s discretion. Rail work can be used to break ties and possibly adjust placings. Individual works may be comprised of any of the following:

- **a.** Group #1: Walk, Sitting Trot, Extended Trot, Posting Trot, Canter, Circles, Figure 8, Halt, Back, Sidepass, Address Reins, Demonstrate Change of Diagonal.
- **b.** Group #2: Serpentine (Trot or Canter), Turn on Haunches or Forehand, Leg Yield, Flying or Simple Change of Lead.
- **c.** Group #3: Canter and Hand Gallop in a straight or curved line, Counter Canter Figure 8, Drop or Pick-up Irons without stopping, Dismount and Mount.

3.1 A turn on the forehand to the right is accomplished by moving haunches to the left. A forehand turn to the left is accomplished by moving haunches to the right.

3.2 If riders are asked to drop their irons, they can leave them down or over cross them over the withers.

**Section 4.** Basic Position. To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup and mount. To dismount, rider may either step down or slide down. The size of the rider must be taken into consideration. Hands should be over and in front of equine’s withers, knuckles thirty degrees inside the vertical, hands slightly apart and making a straight line from equine’s mouth to rider’s elbow. Method of holding reins is optional, and bight of reins may fall on either side. However, all reins must be picked up at the same time. The eyes should be up and shoulders back. Toes should be at an angle best suited to rider’s confirmation, heels down, calf of leg in contact with equine. Iron should be on the ball of the foot and must not be tied to the girth.

**Section 5. GAITs**

**THE WALK:** Should be a 4-beat gait with the rider in a vertical position with a following hand.

**THE POSTING TROT:** Figure 8 at trot, demonstrating change of diagonals. At left diagonal, rider should be sitting the saddle when left front leg is on the ground; at right diagonal rider should be sitting the saddle when right front leg in on the group; when circling clockwise at a trot, rider should be on left diagonal; when circling counter-clockwise, rider should be on right diagonal. The rider should close his/her hip angle to allow his/her torso to follow the horizontal motion of the equine. The upper body should be inclined about 20 degrees in front of the vertical.

**SITTING TROT AND CANTER:** At the sitting trot the upper body is only slightly in front of the vertical. At the canter the body should be positioned slightly more in front of the vertical. As the stride is
shortened, the body should be in a slightly more erect position.

**TWO POINT POSITION:** The pelvis should be forward, but relaxed, lifting the rider’s weight off the equine’s back and transferring the weight through the rider’s legs. In this position the two points of contact between equine and rider are the rider’s legs. Hands should be forward, up the neck, not resting on the neck.

**HAND GALLOP:** A three-beat, lengthened canter ridden in two-point position. The legs are on the equine’s sides while the seat is held out of the saddle. When at the hand gallop, the rider’s angulation will vary somewhat as the equine’s stride is shortened and lengthened. A good standard at a normal hand gallop should be about 30 degrees in front of the vertical.

**Section 6. SCORING:** Exhibitors are to be scored from 0 to 100 with 70 denoting an average score. Patterns will be divided into 6-10 maneuvers, as specified by the judge, and each maneuver will be scored from +3 to -3 with ½ point increments acceptable that will be added or subtracted from 70. Maneuver scores should be determined independent of penalties, and should reflect equal consideration of both performance of the exhibitor’s pattern and the equitation form and effectiveness of the exhibitor to result in the following scores:

- +3 Excellent
- +2 Very Good,
- +1 Good
- 0 Average or Correct,
- -1 Poor,
- -2 Very Poor
- -3 Extremely Poor

Exhibitors overall equitation form and effectiveness should also be scored from 0 to 5:

- 0 to 2 Average
- 3 Good
- 4 Very Good
- 5 Excellent

Exhibitors should also be judged on the rail, and their pattern score and/or ranking may be adjusted as appropriate.

**6.1 FINAL SCORING**

**Minor faults** - Deduction of three (3) points:
- Break of gait at walk or trot up to two strides;
- Over/under turn of 1/8 to 1/4;
- Tick or hit of cone;
- Obviously looking down to check leads or diagonals.

**Major faults** - Deduction of five (5) points:
- Not performing the specific gait or not stopping when called for in the pattern within 10 feet (3 meters) of the designated location;
- Missing a diagonal up to 2 strides in the pattern or on the rail;
- Incorrect lead or break of gait (except when correcting an incorrect lead at the canter);
- Complete loss of contact between rider’s hand and the equine’s mouth;
- Break of gait at walk or jog for more than two strides.
• Loss of iron;
• Head carried too low and/or clearly behind the vertical while the equine is in motion, showing the appearance of intimidation.

Severe Faults - Deduction of ten (10) points (avoids disqualification but should be placed below other exhibitors that do not incur a severe fault) include:
• Loss of rein;
• Missing a diagonal for more than two strides;
• Use of either hand to instill fear or praise while on pattern or during rail work;
• Holding saddle with either hand;
• Spurring or use of crop in front of girth;
• Blatant disobedience including kicking, pawing, bucking and rearing.

Disqualifications (should not be placed) include:
• Failure by exhibitor to wear correct number in visible manner;
• Willful abuse of horse or schooling
• Fall by equine or rider;
• Illegal use of hands on reins;
• Use of prohibited equipment;
• Off pattern, including Knocking over or wrong side of cone or marker; never performing designated gait, lead, or diagonal; over or under turning more than 1/4 turn.

8.2 WALK-TROT HUNT SEAT EQUITATION; AMATEUR AND YOUTH

Section 1. The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

Section 2. FAULTS:

a. Exhibitors going off pattern, knocking over or on wrong side of cone, never performing specified gait, or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.

b. Scored according to severity include:

c. Head carried too low and/or clearly behind the vertical excessively and consistently while the equine is in motion, or otherwise showing the appearance of intimidation.

8.3 EQUITATION OVER FENCES; AMATEUR AND YOUTH

Section 1. Rider will be judged on seat, hands and ability to control and show equine. Results as shown by performance of the equine are not to be considered more important than the methods used by the rider as the effectiveness of the rider in properly influencing the equine is the most important aspect of this class.

Section 2. Course requirements:

1. Classes must be held over at least four obstacles and equine must jump a minimum of six fences.
2. Classes should be held over a hunter course so rider can be judged on their ability to establish and maintain an even hunting pace.
3. At least one (1) change of direction is required.
4. Minimum height must be 2’6”, with a maximum height of 3’0”

Section 3. It is recommended that this class be held prior to the corresponding working hunter class.

Section 4. Course is to be posted one hour prior to the time that the class is to commence.

Section 5. Class Routine
a. Performance begins when the equine enters the ring or is given the signal to proceed after entering the ring.
b. Each exhibitor may circle once before approaching the first obstacle.
c. Except for refusals, jumping faults of the equine are not to be considered unless it is the result of the rider’s ability. If a refusal occurs in a double or triple combination, competitors may re-jump all obstacles in the combination.

5.1 The following will result in elimination:
   a. Fall of equine and/or rider;
   b. Three accumulative refusals;
   c. Off course.

5.2 The following will constitute major faults:
   a. Refusal;
   b. Loss of stirrup;
   c. Trotting while on course if not designated as part of test;
   d. Loss of reins;
   e. Incorrect diagonal.

Section 6. In cases of broken equipment or loss of shoe, exhibitor must continue or be eliminated.

Section 7. Any or all exhibitors can be called back to perform on the rail at the judge’s discretion.

8.4 BAREBACK EQUITATION
Section 1. Riders will be judged on seat, hands, ability to control and show equine.

Section 2. The class can be ridden in either English or Western attire, with appropriate bridle to the style of dress.

Section 3. All equines are to enter ring at a walk and be judged at a walk, jog/trot and lope/canter both ways of the ring. All equine will be required to back up.

8.5 DISCIPLINED RAIL - ENGLISH
Section 1. The Disciplined Rail - English class is a command class to show the ability of a highly trained hunter equine. Due to the level of training required to perform in a manner to exhibit the ability of the equine, it is suggested to offer separate Jr. Equine (equine five years and under), and Sr Equine (equine six (6) years and over) classes. Equine are to be shown in appropriate English attire and equipment.

Section 2. All equine shall enter the ring and be shown together with no individual work-off except in the event of a tie. Should the number of entries warrant more than one (1) go-round to determine finalists, each go-round shall require the exact same sequence.
of work performed to determine finalists. In double-judged shows, each judge has the option to determine his/her own finalists, but the finalists of each judge shall be worked in the final go-round without revealing which finalist was determined by which judge. All finalists shall be considered and judged for awards.

**Section 3.** The class shall be judged or scored on the ability of the individual equine exhibited. The class shall not be scored as a “fault and out” class. The judge may vary the work order of a class but shall maintain the same order of work if more than one (1) go-round is required to determine finalists. When a final go-round is being judges, the order of work may be varied and additional work requested from the original go-rounds.

**Section 4.** The class routine shall first be to perform work on the rail and/or line-up and shall include any of the following:

a. A short walk, trot and/or canter either one of both ways of the ring;
b. Flying change of leads either one or both ways of the ring;
c. Counter canter, start and travel on incorrect lead;
d. Start a canter from a halt;
e. Collected stop and settle;
f. Turn on forehand and/or hindquarters;
g. A hand gallop of no more than twelve (12) equine at a time to be used only for finalists;
h. Extended walk or trot at any time during the class.

Additional work may be requested by the judge to include portions of above or variations of above, but in no way shall an equine and/or rider be overworked or made to perform unsafely in many manner.

**Section 5.** This class is to be judged on performance, ability, response, and attitude of the equine. The judge shall be positioned to view the complete arena by standing at one end or corner or out of the arena when possible to view as many entries as possible during the class. It is suggested, but not required, to have a judge announce the order of work to be performed during the class.

**8.6 HUNTER HACK; OPEN, AMATEUR AND YOUTH**

**Section 1.** The hunter hack equine should move in the same style as a working hunter. Equine are first required to jump two (2) fences two feet (2’0”) to two feet six inches (2’6”) in height. However, if the Jumps are on a line they are recommended to be in increments of 12 feet, but adjusted to no less than two strides. A ground line is recommended for each jump. Equine being considered for an award then to be shown at a walk, trot and canter both ways of the ring with light contact.

**Section 2.** At the discretion of the judge, contestants may be asked to hand gallop, pull up and stand quietly following the last fence.

**Section 3.** The class will be judged on flat work, manners, way of going, style over fences and even hunting pace.

3.1 Faults:

a. Light touches are not to be considered, but may be scored in cases where elimination is difficult;
b. Judges shall penalize unsafe jumping and bad form over fences, whether touched or untouched;

c. Hind knock-downs, not the fault of bad jumping shall not necessarily eliminate an equine from any awards, but shall be scored against in a comparative manner.

Section 4. An official ABRA Hunter Hack show sheet must be used and signed by the judge, turned in to the Show Management, and a copy posted so exhibitors may see how the judge placed the class.

8.7 HUNTER IN-HAND

Section 1. This is an all age class. ROMs will be awarded when ten points have been earned, but will not count towards any other ABRA awards, other than Honor Roll.

Section 2. Equipment. Equine may be shown in a plain leather halter. Equine two years old or older may be shown in a plain leather halter or English headstall equipped with any acceptable single rein English bit and that complies with appropriate equipment rules. A plain leather halter is required on yearling equine. The chain on the lead may be over the nose or under the chin; however, no chains are allowed in the equine’s mouth and no lip chains are allowed.

Section 3. Attire: Attire of the handler should permit free movement. Color may be chosen to complement equine, but should be conservative. Suitable attire shall be proper Hunter Under Saddle attire, or a short-sleeved collared polo shirt or short-sleeved collared dress shirt (solid colors and either white or another conservative color), vest, tie and gloves (optional). Dress pants should be loose enough in which to run. If a belt is worn, it should be a plain belt, not of western type or style. Jeans and sleeveless shirts are forbidden. Running shoes, paddock boots, or English boots are required.

Section 4. Class Conduct:

a. Equine will be judged individually on the triangle, following a posted order.

b. The equine will approach the judging area (A) and set up for inspection in the “open” position (i.e. with all four legs of the equine visible by the judge standing on either side of the equine).

c. The judge shall inspect each equine from the front, rear and both sides. Transmissible weaknesses and/or conditions shall be counted strongly against animals.

d. At the judge’s request, the equine will then walk the small triangle ABCA.

e. The equine will continue on at a trot following the large ADEA.

f. At the completion of the judging, the handler will lead the equine away from the judging area.

g. As one (1) equine leaves, the next one will enter the judging area promptly.

h. When all equine in the class have completed the triangle, they may be lined up for the judge to place, or “ringing” (walking in a large group circle around the judge) may be used.

i. An exhibitor may show more than one equine in a class on the
triangle. In this case, a helper may assist in bringing the equine back for ringing or final inspection.

**Section 5.** Scoring System: 60% movement, 30% conformation, 10% temperament.

**Section 6.** If an equine knocks over a cone or marker, they are to be scored accordingly. This does not constitute immediate disqualification, but at the judge’s discretion can be penalized in the temperament or movement score.

**Section 7.** If an equine or exhibitor falls, they are to be scored accordingly. This does not constitute immediate disqualification, but at the judge’s discretion can be penalized in the temperament or movement score.

**Section 8.** If an equine is off pattern either by completing the large triangle ADEA before the small triangle ABCA, by not displaying the correct gait while completing the corresponding triangle or by not submitting to inspection prior to completing the pattern, the entry shall be disqualified.

a. An appropriate penalty shall be assessed at the judge’s discretion for break of gait during completion of the pattern, but this shall not constitute off pattern or immediate disqualification.

**Section 9.** All pattern classes (including Showmanship, Horsemanship and Equitation, but excluding speed events, timed events and those classes that have specific score sheets), must have a score sheet used and signed by the judge, turned in to Show Management, and a copy posted so exhibitors may see how the judge placed the class.

_The appropriate pattern is in the back of this handbook._

**8.8 HUNTER UNDER SADDLE; OPEN, AMATEUR AND YOUTH**

**Section 1.** Hunters under saddle should be suitable to purpose.

**Section 2.** Hunters should move with long, low strides reaching forward with ease and smoothness, be able to lengthen stride and cover ground with relaxed, free flowing movement, while exhibiting correct gaits that are of the proper cadence. The quality of the movement and the consistency of the gaits is a major consideration.

**Section 3.** Equine should be obedient, have a bright expression with alert ears, and should respond willingly to the rider with light leg and hand contact.

**Section 4.** Equine should be responsive and smooth in transition. When asked to extend the trot or hand gallop, they should move out with the same flowing motion. The poll should be level with, or slightly above the withers to allow proper impulsion behind. The head position should be slightly in front of, or on, the vertical.

**Section 5.** This class will be judged on performance, condition and conformation. Maximum credit shall be given to the flowing, balanced, willing equine.

**Section 6.** Equine are to be:

a. Shown under saddle, not to jump.

b. Shown at a walk, trot and canter both ways of the ring. Equine should back easily and stand quietly.
c. Reversed to the inside away from the rail.
d. Equine may be asked to change to canter from the flat-footed walk or trot, at the judge’s discretion.

**Section 7.** Faults to be scored according to severity:

a. Quick, short, or vertical strides.
b. Being on the wrong lead and/or wrong diagonal at the trot
c. Breaking gait.
d. Excessive speed at any gait.
e. Excessive slowness in any gait, loss of forward momentum.
f. Failure to take the appropriate gait when called for.
g. Head carried too high.
h. Head carried too low (such that poll is below the withers)
i. Overflexing or straining neck in head carriage so that nose is carried behind the vertical.
j. Excessive nosing out.
k. Failure to maintain light contact with equine’s mouth.
l. Stumbling
m. If equine appears sullen, dull, lethargic, emaciated, drawn or overly tired.
n. Consistently showing too far off the rail.

**Section 8.** Faults which will be cause for disqualification, scored according to severity:

a. Head carried too low (such that poll is below the withers consistently)
b. Overflexing or straining neck in head carriage so that nose is carried behind the vertical consistently.

**Section 9.** At the option of the judge, all or just the top 12 equines may be required to hand gallop, one or both ways of the ring. Never more than 12 equines to hand gallop at one time. At the hand gallop, the judge may ask the group to halt and stand quietly on a free rein (loosened rein).

**8.9 WALK-TROT HUNTER UNDER SADDLE; AMATEUR AND YOUTH**

**Section 1.** The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

**8.10 GREEN HUNTER UNDER SADDLE**

**Section 1.** Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Hunter Under Saddle class may be shown in Green Hunter Under Saddle. Equine must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Hunter Under Saddle as apply in Section 7.8 of this rulebook.

**Section 2.** The purpose of the Green classes is to allow an equine to compete on an entry level field with equine of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned equine. This class should be judged according to the purpose of its intent.

- Any two (2) year old or older equine may participate. Two-
olds may not be shown prior to July 1st.

- Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in its respective class as of January 1 of the current show year is eligible to compete. Eligibility of the equine is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

**Section 3. Equines eligible to compete:**

1. EQUINES that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Hunter Under Saddle classes as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.

2. Year Long Eligibility. If an equine is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

3. Once an equine has earned 10 points in Green Hunter Under Saddle, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

4. Equines showing in this event may also enter their respective Hunter Under Saddle class at the same show. Green Hunter Under Saddle does not count for show all-around or high-point awards.

**Section 4.** ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

**8.11 JUMPING**

**Section 1.** Jumping is a scored and timed event. The time taken will be used to break all ties on equine with jumping faults and/or the combination of jumping and time faults.

1. Time allowed may be used under the direction of show management, judge(s), and professional course designer.

2. The time allowed to complete the course should be calculated from an actual measurement of the course’s length (a minimum speed of 360 yards (327.6 meters per minute)).

3. The length of the course must be announced or posted prior to the start of the class. The judge should assure that the course has in fact been properly measured and the time allowed calculated according to the speed.

4. After the first competitor has completed their round, the time allowed and the competitor’s time should be announced.

5. The use of a time allowed is optional in the first round.

6. No equine shall be allowed to show in more than one (1) (ABRA Approved) jumping class per show, excluding Amateur and Youth classes.

**1.1 Arena Arrangement:**

There will be a minimum of four (4) obstacles from the list below; equine are to take a minimum of eight (8) jumps.

- Post & Rail (at least two (2))
- Chicken Coop
- Stone Wall
d. Triple Bar  
e. Brush Jump  
f. Obstacles should be located 48 (forty-eight) feet apart, further if room permits, except within combinations. Height of obstacles must be a minimum of 3’6” with a maximum of 4’0”.
g. Both a starting line at least twelve (12) feet in front of the first obstacle to be used in a jump-off, and a finish line at least twelve (12) feet beyond the last obstacle to be used in a jump-off must be indicated by markers at each end of the lines. They should be at least as far apart as the standards of the obstacles. Equine must start and finish by passing between markers.

1.2 Jump-offs will be held over the original course which may be altered as follows.

a. Course may be shortened after the first round, but may not be shortened to less than fifty percent (50%) of the original obstacles and must include at least one (1) vertical and one (1) spread jump.
b. The sequence of obstacles may be in any order (2,4,7,8) as long as the original direction over the obstacle is maintained. In case of ties involving faults rails will not be raised. In case of ties, jump-offs will be conducted in the following manner:

1. Winner will be decided on time only if faults (in jump-off round) are equal.  
2. Equine will not be required to jump a third round.

In case of ties involving clean rounds:

a. At least fifty percent (50%) of the obstacles will be increased at least three (3) inches but not more than six (6) inches in height and may be increased up to a maximum spread of six (6) feet.

Section 2. Scoring:

a. Knockdown of obstacle, standard or wing with any portion of equine, rider or equipment. A fence or obstacle is considered knocked down when the height or spread of the obstacle is lessened in any way = 4 faults  
b. Disobediences include refusals, runouts, loss of forward motion, or any unnecessary circling on course:

1. First disobedience (anywhere on course) = 4 faults  
2. Second disobedience (anywhere on course) = 4 faults  

2.1 The following are cause for elimination:

a. Third disobedience anywhere on course;  
b. Jumping an obstacle before it is reset, or without waiting for signal to proceed;  
c. Starting before judges signal to proceed;  
d. Failure to enter ring within one minute of being called;  
e. Failure to cross the starting line within 45 seconds after an audible signal to proceed  
f. Jumping an obstacle before crossing start line unless said obstacle is designated as a practice obstacle, or after crossing the finish line, whether forming part of the course or not;  
g. Off course;  
h. Deliberately address an obstacle;
i. Excessive use of whip, crop, rope, bat or reins anywhere on equine;

j. At a brush element, the touch of the brush only, without touching the framework or pole on top thereof, is not scored as a fault.

8.12 WORKING HUNTER

Section 1. No equine shall be allowed to show in more than one (1) (ABRA Approved) working hunter class per show. (This would not prevent an equine from being shown in one (1) approved Jumping class, one (1) working hunter class and one (1) hunter hack class, excluding amateur and youth hunter hack.)

Section 2. The working hunter class may be divided into sections: Senior Working Hunter and Junior Working Hunter, based on the age of the equine. In Junior Working Hunter, the same rules shall apply as in the all-ages or Senior Working Hunter, except that the maximum height of obstacles should be 3’0”.

Section 3. A hunter course shall be any course which the management deems a fair test of a hunter.

Section 4. Arena Arrangement:

a. Minimum of four different obstacles to be jumped - to include one (1) change of direction (for a total of eight (8) jumps).

b. Fences shall simulate obstacles found in the hunting field, such as post and rail, brush, stone wall, chicken coop, hedge, etc.

c. A pole over brush and jumps such as triple bar and hog backs are prohibited.

d. The top element of all fences must be securely placed so that a slight rub will not cause a knockdown.

e. Obstacles should be located at least 48 (forty-eight) feet apart; if room permits, except within combinations.

f. Height of obstacles must be a minimum of 2’9” with a maximum of 3’0” for youth & amateurs, and maximum of 3’3” for open equine.

g. The use of wings on obstacles in hunter classes is recommended.

Section 5. Scoring:

a. Performance: An even hunting pace, manners, style of jumping, together with way of moving over the course, as well as being jogged for soundness.

b. In all classes, judges shall line up equine on merit of performance before considering soundness.

c. Equine may be required to show at a walk, trot and canter.

d. Soundness: All equine must be serviceably sound. Any equine showing lameness, broken wind or impairment of vision shall be refused an award.

Section 6. Faults:

a. Light touches are not to be considered.

b. Judges shall penalize unsafe jumping and bad form over fences, whether touched or untouched.

c. Faults for knockdowns, disobediences, and falls shall be the same as in the jumping class.

d. Section 7. Eliminations:

e. Third disobedience anywhere on course.
f. Fall of equine and/or rider.

9. PLEASURE DRIVING

Section 1. In pleasure driving, equipment to be used shall include a light equine breast collar harness to include surcingle with shaft tiedowns and crupper, standard bridle, overcheck with snaffle or curb bit.

Section 2. The exhibitor shall be the only person permitted in such cart while the equine is being exhibited, and no pets shall be allowed in such cart during the class.

Section 3. The cart shall be a pleasure type two-wheel single equine cart with seats for one or two persons. All carts must be basket-type, equipped with 24” through 48” cart wheels. No stirrup-type carts or sulkies will be allowed, dash and basket cover are optional.

Section 4. Equine must be shown with natural hooves, shod with normal shoes. No extended hooves, heavy shoes or toe weights allowed.

Section 5. Equine shall enter the ring in the same direction. Each equine shall be exhibited at the walk, park gait and road gait.
   a. Walk: a natural, flat foot, four beat gait. Loss of forward rhythmic movement shall be penalized.
   b. Park gait: a forward, free-flowing, square trot with impulsion. Loss of forward, rhythmic movement or jogging shall be penalized.
   c. Road gait: an extended trot showing a definite lengthening of stride, with a noticeable difference in speed. Short, quick, animated strides and/or excessive speed shall be penalized.

Section 6. Each equine shall demonstrate each of such gaits, in both directions of the arena. Change of direction shall be accomplished by the equine crossing the show ring while walking only. Each equine shall be required to back easily, straight, and to stand quietly.

Section 7. A pleasure driving equine should carry itself in a natural balanced position with a relaxed head and neck. Its poll should be level with, or slightly above the level of the withers. Maximum credit should be given to a equine that moves straight, with free movement, manners and a bright expression.

Section 8. The equine shall be severely penalized if it carries its head behind the vertical, is over-flexed, excessively nosed out, or the poll is below the withers.

Section 9. This class will be judged eighty percent (80%) on the equine’s performance and suitability for assuring a pleasurable drive, with a maximum of twenty percent (20%) on condition and conformation.

10. WESTERN CLASSES

1. WESTERN HORSEMANSHIP; AMATEUR AND YOUTH

Section 1. Available only in the amateur and youth divisions, western horsemanship is designed to evaluate the rider’s ability to execute, in concert with their equine, a set of maneuvers pre-
scribed by the judge with precision and smoothness while exhibiting poise and confidence and maintaining a balanced, functional and fundamentally correct body position. The ideal horsemanship pattern is extremely precise with the rider and equine working in complete unison, executing each maneuver with subtle aids and cues. The equine’s head and neck should be carried in a relaxed, natural position, with the poll level with or slightly above the withers. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

Section 2. It is mandatory that the judge post the initial pattern to be worked at least one hour prior to the commencement of the class; however, if the judge requires additional work of exhibitors for consideration of final placing, an additional pattern may be posted. Pattern(s) should be designed to test the horseman’s ability. All ties will be broken at the judge’s discretion.

Section 3. Scoring: Exhibitors are to be scored from 0 to 100 with 70 denoting an average score. Patterns will be divided into 6-10 maneuvers, as specified by the judge, and each maneuver will be scored from +3 to -3 with ½ point increments acceptable that will be added or subtracted from 70. Maneuver scores should be determined independent of penalties, and should reflect equal consideration of both performance of the exhibitor’s pattern and the equitation form and effectiveness of the exhibitor to result in the following scores:

- +3 Excellent
- 2 Very Good
- 1 Good
- 0 Average or Correct
- -1 Poor
- -2 Very Poor
- -3 Extremely Poor.

Exhibitors overall horsemanship form and effectiveness should also be scored from 0 to 5 with:

- 0 to 2 Average
- 3 Good, 4 Very Good
- 5 Excellent

Exhibitors should also be judged on the rail, and their pattern score and/or ranking may be adjusted as appropriate.

3.1 FINAL SCORING

Minor faults - Deduction of three (3) points;
- Break of gait at walk or jog/trot up to 2 strides;
- Over/under turn from 1/8 to 1/4;
- Tick or hit of cone;
- Obviously looking down to check leads.

Major faults - Deduction of five (5) points:
- Break of gait at a walk or jog for more than 2 strides;
- Not performing the specific gait or not stopping when called for in the pattern within 10 feet (3 meters) of designated area;
- Incorrect lead or break of gait (except when correcting an incorrect lead);
- Break of gait at walk, jog or trot for more than two strides;
- Loss of stirrup;
• Head carried too low and/or clearly behind the vertical while the equine is in motion, showing the appearance of intimidation.
• Bottom of boot not touching pad of stirrup at all gaits including backup.

**Severe Faults** - Deduction of ten (10) (avoids disqualification but should be placed below other exhibitors who do not incur a severe fault) include:

- Loss of rein;
- Use of either hand to instill fear or praise while on pattern or during rail work;
- Holding saddle with either hand;
- Cueing with the end of the romal;
- Blatant disobedience including kicking, pawing, bucking and rearing;
- Spurring in front of the cinch.

10.2 WALK-TROT WESTERN HORSEMANSHIP; AMATEUR AND YOUTH

**Section 1.** The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

**Section 2. FAULTS:**

a. Exhibitors going off pattern, knocking over or on wrong side of cone, never performing specified gait, or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.

b. Scored according to severity include:

1. Head carried too low and/or clearly behind the vertical excessively and consistently while the equine is in motion, or otherwise showing the appearance of intimidation.

10.3 YOUTH BAREBACK EQUITATION

**Section 1.** Riders will be judged on seat, hands, ability to control and show equine.

**Section 2.** The class can be ridden in either English or Western attire, with appropriate bridle to the style of dress.

**Section 3.** All equines are to enter ring at a walk and be judged at a walk, jog/trot and lope/canter both ways of the ring. All equine will be required to back up.

10.4 DISCIPLINED RAIL - WESTERN
Section 1. The Disciplined Rail - Western class is a command class to show the ability of a highly trained western equine. Due to the level of training required to perform in a manner to exhibit the ability of the equine, it is suggested to offer separate Junior Equine (equine five (5) years and under), and Senior Equine (equine six (6) years and over) classes. Equine are to be shown in appropriate Western attire and equipment.

Section 2. All equine shall enter the ring and be shown together with no individual - work-off except in the event of a tie. Should the number of entries warrant more than one (1) go-round to determine finalists, each go-round shall require the exact same sequence of work performed to determine finalists. In double-judged shows, each judge has the option to determine his/her own finalists, but the finalists of each judge shall be worked in the final go-round without revealing which finalist was determined by which judge. All finalists shall be considered and judged for awards.

Section 3. The class shall be judged or scored on the ability of the individual equine exhibited. The class shall not be scored as a “fault and out” class. The judge may vary the work order of a class but shall maintain the same order of work if more than one (1) go-round is required to determine finalists. When a final go-round is being judges, the order of work may be varied and additional work requested from the original go-rounds.

Section 4. The class routine shall first be to perform work on the rail and/or lineup and shall include any of the following:

a. A short walk, jog and/or lope either one or both ways of the ring.
b. Flying change of leads either one or both ways of the ring.
c. A start and travel on an incorrect lead, or a counter-lope.
d. Start a lope from a standstill.
e. Sliding stop to include settling on a loose rein.
f. Side-pass to either or both left and/or right.
g. Turn on forehand and/or hindquarters.
h. A hand gallop or extended lope of no more than twelve (12) equine at a time to be used only for finalists.
i. Extended walk or jog at any time during the class.
j. Additional work may be requested by the judge to include portions of above or variations of above, but in no way shall an equine and/or rider be overworked or made to perform unsafely in any manner.

Section 5. This class is to be judged on performance, ability, response, and attitude of the equine. The judge shall be positioned to view the complete arena by standing at one end or corner or out of the arena when possible to view as many entries as possible during the class. It is suggested, but not required, to have a judge announce the order of work to be performed during the class.

10.5 REINING; OPEN, AMATEUR AND YOUTH
To rein an equine is not only to guide him, but also to control his every movement. The best reined equine should be willingly guided and controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack
of control. All deviations from the exact written pattern must be considered a lack of/or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. After deducting all faults, set here within, against execution of the pattern and the equine’s overall performance, credit should be given for smoothness, finesse, attitude, quickness and authority of performing various maneuvers, while using controlled speed which raises the difficulty level.

Section 1. No equine shall be allowed to show in more than one (ABRA Approved) reining class per show, excluding youth and amateur, and Ranch Reining,

Section 2. In an approved Reining class, any one (1) of the ten (10) approved ABRA/NRHA Reining Patterns may be used. One (1) of these ten (10) patterns is to be selected by the judge of the class and used by all contestants in the class.

Section 3. Each contestant will perform the required pattern individually and separately. Equine shall rein and handle easily, fluently, effortlessly, and with reasonable speed throughout the pattern.

Section 4. SCORING:

a. Scoring will be on a basis of 0 (zero) to infinity with 70 (seventy) denoting an average performance.

b. The individual maneuvers are scored in ½ point increments from a low of -1½ to a high of +1½ with a score of 0 denoting a maneuver that is correct with no degree of difficulty. Scores will be announced after each equine works.

c. Any ties for 1st place will be worked off, using the same pattern and order of go as was used during the event; however, there will not be more than one run off.

4.1 The following will result in no score:

a. Infraction of any state or federal law which exists pertaining to the exhibition, care, and custody of equine within the state or country where an ABRA reining class is being held.

b. Abuse of an animal in the show arena and/or evidence that an act of abuse has occurred prior to or during the exhibition of an equine in competition.

c. Use of illegal equipment, including wire on bits, bosals or curb chains;

d. Use of illegal bits, bosals or curb chains;

e. Use of tack collars, tie downs or nose bands;

f. Use of whips or bats;

g. Use of any attachment which alters the movement of or circulation to the tail.

h. Failure to dismount and/or present equine and equipment to the appropriate judge for inspection.

i. Misconduct by the exhibitor.

j. Disrespect: The judge (s) may excuse an equine at any time while in the arena due to improper exhibition pertaining to both the equine and/or rider.

k. Excess rein may be straightened at any place a equine is allowed to be completely stopped during a pattern. When using a romal, no fingers between the reins are allowed. The
free hand may be used to hold the romal provided it is held at least 16” from the reining hand and in a relaxed position. Use of the free hand while holding the romal to alter the tension or length of the reins from the bridle to the reining hand is considered to be the use of two hands, and a score of 0 will be applied.

4.2 The following will result in a score of 0:
   a. Use of more than index or first finger between reins.
   b. Use of two hands (exception in Snaffle Bit or Hackamore classes designated for two hands) or changing hands;
   c. Use of romal other than as outlined in ABRA Handbook
   d. Failure to complete pattern as written;
   e. Performing the maneuvers other than in specified order;
   f. The inclusion of maneuvers not specified, including, but not limited to:
      • backing more than 2 strides
      • turning more than 90 degrees. (Exception: a complete stop in the 1st quarter of a circle after a canter departure is not to be considered an inclusion of maneuver; a 2-point break of gait penalty will apply.)
   g. Equipment failure that delays completion of pattern.
   h. Balking or refusal of command where pattern is delayed.
   i. Running away or failing to guide where it becomes impossible to discern whether the entry is on pattern.
   j. Jogging in excess of one-half circle or one-half the length of the arena;
   k. Over-spin of more than ¼ turn.
   l. Fall to the ground by equine or rider.

4.3 The following will result in a 5-point penalty:
   a. Spurring in front of cinch;
   b. Use of the either hand to instill fear or praise;
   c. Holding saddle with either hand;
   d. Blatant disobedience including kicking, biting, bucking, rearing and striking.

4.4 The following will result in a 2-point penalty:
   a. Break of gait;
   b. Freezing up in spins or rollbacks;
   c. On walk in patterns, failure to stop or walk before executing a canter departure.
   d. On run in patterns, failure to be in a canter prior to reaching the first marker.
   e. If an equine does not completely pass the specified marker before initiating a stop position.
   f. Starting or performing circles or eights out of lead will be judged as follows:
   g. Each time an equine is out of lead, a judge is required to penalize by 1 point. The penalty for being out of lead is accumulative, and the judge will add 1 penalty point for each ¼ of the circumference of a circle or any part thereof that an equine is out of lead. A judge is required to penalize an equine ½ of a point for a delayed change of lead by one stride.
   h. Deduct ½ point for starting circle at a jog or exiting rollbacks
at a jog up to 2 strides. Jogging beyond 2 strides but less than ½ circle or

i. ½ the length of the arena, deduct 2 points.

j. Deduct ½ point for over or under spinning up to c of a turn; deduct 1 point for over or under spinning up to ¼ of a turn.

k. Where a change of lead is specified immediately prior to a run to the end of the pen, failure to change lead will be penalized as follows: Failure to change leads by 1 stride, a ½ point penalty. Failure to change leads beyond 1 stride but where lead change is completed prior to next maneuver, 1-point penalty. If the lead is not changed prior to the next maneuver, a 2-point penalty. In patterns requiring a run-around, failure to be on the correct lead when rounding the end of the arena will be penalized as follows: for ½ the turn or less, 1 point; for more than ½ the turn, 2 points.

l. There will be a ½ point penalty for failure to remain a minimum of 20 feet from wall or fence when approaching a stop and/or rollback.

Section 5. Judges may not confer as to any penalty or maneuver score prior to submitting a score. If a major penalty (a penalty which results in a no score, a 0, or a 5-point penalty) is unclear, a judge will submit his/her score and ask that the score be held, pending a conference or review. Should the judges determine via conference that a penalty was incurred, it should be applied. However, if no penalty occurred, the score will be announced as originally submitted. No judge shall be required to change his/her score following a conference. Each judge’s decision is an individual call and based on individual decision from a conference.

Section 6. Judges shall be the sole person responsible to determine if a rider has correctly completed the pattern as written.

Section 8. A judge is permitted the option of awarding a re-ride to any contestant who in the judge’s opinion is unable to complete a pattern for reasons that are out of the rider’s control.

10.6 GREEN REINING

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, NRHA, APHA, IBHA, or USEF Reining class may be shown in Green Reining. Equine must be ridden with the equipment that is approved as per ABRA equipment rules for Reining. With the exception of eligibility requirements, the same rules apply in Green Reining as apply in Reining in Section 9.5 of this rulebook.

Section 2. The purpose of the Green classes is to allow an equine to compete on an entry-level field with equine of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned equine. This class should be judged according to the purpose of its intent.

Any two year old or older equine may participate. Two year olds may not be shown prior to July 1st.

Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year.
Eligibility of the equine is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Equine eligible to compete:
Equine that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Reining classes as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count. Year Long Eligibility. If an equine is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

Once an equine has earned 10 points in Green Reining, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

Equine showing in this event may also enter their respective Reining class at the same show. Green Reining does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

Section 5. PATTERNS
The following patterns are to be worked as stated, not as drawn. The drawn pattern is just to give the general idea of what the pattern will look like in the arena.

Markers will be placed on the wall or fence of the arena as follows:

a. At the center of the arena at least 50’ from each end wall.

b. Where designated in the pattern for stops to be beyond a marker, the equine should begin his stop after he passes the specified marker. Each pattern is drawn so that the bottom of the page represents the end of the arena entered by contestants and must be run as such. In the event that an arena has only one gate and it is located in the exact middle of the side, that side shall represent the right side of the page the pattern is drawn on.

All equine will be judged immediately upon entering the arena and judging will cease after the last maneuver. Any fault incurred prior to the commencement of a pattern will be scored accordingly. All judges’ decisions are final.

Patterns can be found in the back of this publication.

10.7 WESTERN PLEASURE; OPEN, AMATEUR AND YOUTH

Section 1. This class will be judged on the performance of the equine.

Section 2. Entries will be penalized for excessive speed or being on wrong leads.

Section 3. Equine to be shown at a walk, jog, and lope on a reasonably loose rein without undue restraint. Equine must work both ways of the ring at all three (3) gaits to demonstrate their ability with different gaits. Any of the gaits may be extended. The lope is described as “slightly increasing forward motion”. It is mandatory that the jog be extended in at least one direction. An extended jog is a definite two beat lengthening stride.
and is an increased pace resulting in lengthening of stride and covering more ground. Cadenced and balance with smoothness is more essential than speed. This applies to all ABRA approved western pleasure classes with the exception of Youth 13 & Under. In these classes, the extension of the jog is optional. Equine cannot be asked to reverse at the lope or the extended lope. Equine are to be reversed to the inside (away from the rail). They may be required to reverse at the walk or jog at the discretion of the judge, but shall not be asked to reverse at the lope. Judge must ask that equine be backed. The judge may, at his/her discretion, require the backing of only the finalists in the class. Judge may ask for additional work of the same nature from any equine. He/she is not to ask for work other than that listed above. Rider shall not be required to dismount except in the event judge wishes to check equipment.

Section 4. Except for junior equine shown with a hackamore or snaffle bit, reins shall be held in one (1) hand and cannot be changed during performance. Hand to be around reins. One (1) finger between reins permitted, if split reins are used.

a. While equine is in motion, rider’s hands shall be clear of equine and saddle.

b. Spurs or romal shall not be used forward of the cinch.

Section 5. Equine shall be shown with a stock saddle. Silver equipment will not count over good working outfit.

Section 6. No equine shall be allowed to show in more than one (1) (Buckskin) western pleasure class per show, excluding youth, amateur, and Green events.

10.8 WALK-TROT WESTERN PLEASURE; AMATEUR AND YOUTH

Section 1. The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

10.9 GREEN WESTERN PLEASURE

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Western Pleasure class may be shown in Green Western Pleasure. Equine must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Western Pleasure as apply in Section 9.5 of this rulebook.

Section 2. The purpose of the Green classes is to allow an equine to compete on an entry-level field with equine of the same level of experience. The Green class is a stepping-stone to the more advanced level of competition with seasoned equine. This class should be judged according to the purpose of its intent. Any two (2) year old or older equine may participate. Two year olds may not be shown prior to July 1st. Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year.
Eligibility of the equine is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

**Section 3.** Equine eligible to compete:

a. Equine that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Western Pleasure classes as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.

b. Year Long Eligibility. If an equine is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

c. Once an equine has earned 10 points in Green Western Pleasure, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

d. Equine showing in this event may also enter their respective Western Pleasure class at the same show. Green Western Pleasure does not count for show all-around or high-point awards.

**Section 4.** ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

10.10 WESTERN RIDING; OPEN, AMATEUR AND YOUTH

Section 1. Western Riding is an event where the equine is judged on quality of gaits, lead changes at the lope, response to the rider, manners, and disposition. The equine should perform with reasonable speed, and be sensible, well-mannered, free and easy moving.

Section 2. Credit shall be given for and emphasis placed on smoothness, even cadence of gaits (i.e., starting and finishing pattern with the same cadence), and the equine’s ability to change leads precisely, easily, and simultaneously both hind and front at the center point between markers. In order to have balance, with quality lead changes, the equine’s head and neck should be in a relaxed, natural position, with his poll level with or slightly above the level of the withers. He should not carry his head behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance. The equine should have a relaxed head carriage showing response to the rider’s hands, with a moderate flexion at the poll. Equine may be ridden with light contact or on a reasonably loose rein. The equine should cross the log both at the jog and the lope without breaking gait or radically changing strides.

Section 3. The judge will select one of the five (5) patterns to be performed. The judge is responsible for the pattern being correctly set.

10.11 GREEN WESTERN RIDING

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Western Riding class may be shown in Green Western Riding. Equine must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the
exception of eligibility requirements, the same rules apply in Green Western Riding as apply in Section 9.7 of this rulebook.

Section 2. The purpose of the Green classes is to allow an equine to compete on an entry-level field with equine of the same level of experience. The Green class is a stepping-stone to the more advanced level of competition with seasoned equine. This class should be judged according to the purpose of its intent.

- Any two (2) year old or older equine may participate. Two year olds may not be shown prior to July 1st.
- Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year. Eligibility of the equine is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Equine eligible to compete:

a. Equine that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Western Riding class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.

b. Year Long Eligibility. If an equine is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

c. Once an equine has earned 10 points in Green Western Riding, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

d. Equine showing in this event may also enter their respective Western Riding class at the same show. Green Western Riding does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

3.1 Pattern:

a. The small circles represent pylon markers which are recommended. These should be separated by a uniform measured distance of not less than 30 feet (9 meters) nor more than 50 feet (15 meters) on the side with 5 markers (see diagram). In pattern one, the three markers on the opposite side should be set adjacent to the appropriate markers. It is recommended that markers be set a minimum of 15 feet (4 ½ meters) from the fence and with 50 to 80 foot (15- 24 meters) width in the pattern, as the arena permits.

b. A solid log or pole should be used and be a minimum of 8 feet (2.5 meters) in length.

c. The long serpentine line indicates the direction of travel and gaits at which the equine is to move. The shaded area represents the lead changing area between the markers.

d. Legends are shown on each pattern indicating gaits to be taken.

e. A cone shall be placed along the wall or rail of the arena to designate where the exhibitor should initiate the walk. On
pattern 1, the cone should be placed a minimum of 15 feet before the first pylon. On patterns 2, 3, 4 and 5, the cone should be placed even with the first pylon. The on-deck exhibitor should not go to the start-cone until the contestant on pattern has cleared the working area by the start-cone for the final time.

4. Scoring. Exhibitors will be scored on a basis of 0-100 with 70 denoting an average performance. Points will be added or subtracted from the maneuvers on the following bases, ranging from plus 1 1/2 to minus 1 1/2:

- -1 1/2 extremely poor
- -1 very poor,
- -1/2 poor
- 0 average,
- +1/2 good
- +1 very good,
- +1 1/2 excellent

Maneuver scores are to be determined independently of penalty points.

4.1 Penalties should be assessed each time the following occur:

One-half (1/2) point:

a. tick or light touch of log

c. holding saddle with either hand;
d. use of either hand to instill fear or praise.
Disqualified - O score:

11. TRAIL CLASSES
11.1 IN-HAND TRAIL

Section 1. Yearling In-Hand Trail

1.1. This class is designed to provide exhibitors of young equine an opportunity to compete in a performance event and to prepare a young equine for a productive performance career without undue physical or mental stress and is open to yearlings only.

1.2 In-Hand Trail equine should exhibit a calm and interested manner and a willing attitude while negotiating the course demonstrating trust and confidence in the handler while being courageous, yet cautious, in approaching the obstacles.

1.3 ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

1.4 Course Requirements.
   a. Care must be exercised to avoid the setting up of any of these obstacles in a manner that may be hazardous to the equine or handler. Obstacles should be placed in such a manner that they flow from one to the other quickly and efficiently.
   b. Change of Procedure. Where the local conditions and equipment will not permit the establishment of obstacles as specified and that they may require changing of procedures or hand on the lead, then all competitors must be advised that such changing of procedure or of hands as permitted with the exception of working the gate as described below:
      1. Course designer should use the term “work gate” on the In-Hand Trail course to enable the handler to pass through the gate in the safest manner possible.
      2. Changing hands at the gate shall not be cause for elimination or disqualification in In-Hand Trail class only.
      3. In-Hand Trail equine will not be required to lope.

1.5 Exhibitor Requirements.
   a. Equine are to be shown in a halter only. Exhibitor must use only the right hand on the lead where the chain begins, and lead on the equine’s left side. A chain may be used under the chin or hanging from the halter. Exhibitor must use only the left hand to carry the excess lead, looped loosely except when:
      1. Carrying an object from one part of the arena to another.
      2. Dragging an object from one part of the arena to another.
      3. Opening/closing a gate, where a change of hands on the gate is acceptable.
      4. Side-passing. In this case, the lead at the chain and the excess lead can be held in the hand at the equine’s head.
   b. Exhibitors should be poised, confident, courteous and sportsmanlike at all times. The exhibitor should continue showing the equine until the class has been placed or excused.
c. Any stops should be straight, smooth and responsive with the equine’s body remaining straight. Backing and turning should be performed from the left side of the equine.

d. The exhibitor should face the equine when backing. Exception: When negotiating a gate, the exhibitor is not required to face the equine. The equine should back up readily with the head, neck and body aligned in a straight or curved line as instructed.

e. Exhibitor is not allowed to touch the equine at any time with either hand to instill fear or praise while working the pattern.

Section 2. Two (2) Year Old In-Hand Trail

2.1 This class is designed to provide exhibitors of young equine an opportunity to compete in a performance event and to prepare a young equine for a productive performance career without undue physical or mental stress and is open to two-year olds only.

2.2 In-Hand Trail equine should exhibit a calm and interested manner and a willing attitude while negotiating the course demonstrating trust and confidence in the handler while being courageous, yet cautious, in approaching the obstacles.

2.3 ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

2.4 Course Requirements.

a. Care must be exercised to avoid the setting up of any of these obstacles in a manner that may be hazardous to the equine or handler. Obstacles should be placed in such a manner that they flow from one to the other quickly and efficiently.

b. Change of Procedure. Where the local conditions and equipment will not permit the establishment of obstacles as specified and that they may require changing of procedures or hand on the lead, then all competitors must be advised that such changing of procedure or of hands as permitted with the exception of working the gate as described below:

1. Course designer should use the term “work gate” on the In-Hand Trail course to enable the handler to pass through the gate in the safest manner possible.

2. Changing hands at the gate shall not be cause for elimination or disqualification in In-Hand Trail class only.

c. In-Hand Trail equine will not be required to lope.

Section 3. Exhibitor Requirements.

a. Equine are to be shown in a halter only. Exhibitor must use only the right hand on the lead where the chain begins, and lead on the equine’s left side. A chain may be used under the chin or hanging from the halter. Exhibitor must use only the left hand to carry the excess lead, looped loosely except when:

1. Carrying an object from one part of the arena to another.

2. Dragging an object from one part of the arena to another.

3. Opening/closing a gate, where a change of hands on the gate is acceptable.

4. Side-passing. In this case, the lead at the chain and the excess lead can be held in the hand at the equine’s head.

b. Exhibitors should be poised, confident, courteous and sports-
manlike at all times. The exhibitor should continue showing the equine until the class has been placed or excused.

c. Any stops should be straight, smooth and responsive with the equine’s body remaining straight. Backing and turning should be performed from the left side of the equine.

d. The exhibitor should face the equine when backing. Exception: When negotiating a gate, the exhibitor is not required to face the equine. The equine should back up readily with the head, neck and body aligned in a straight or curved line as instructed.

e. Exhibitor is not allowed to touch the equine at any time with either hand to instill fear or praise while working the pattern.

11.2 TRAIL CLASS

Section 1. No equine shall be allowed to show in more than one (1) (Buckskin) Trail class per show, excluding ranch, green, youth and amateur events.

1.1 This class will be judged on the performance of the equine over obstacles, with emphasis on manners, response to the rider and quality of movement. Credit will be given to equine negotiating the obstacles with style and some degree of speed, providing correctness is not sacrificed. Equine should receive credit for showing attentiveness to the obstacles and the capability of picking their own way through the course when obstacles warrant it, and willingly responding to the rider’s cues on more difficult obstacles.

1.2 Equine shall be penalized for any unnecessary delay while approaching or negotiating the obstacles. Equine with artificial appearance over obstacles should be penalized.

1.3 Equine must not be required to work on the rail. The course must be designed, however, to require each equine to show the three gaits (walk, jog, lope) somewhere between obstacles as a part of its work, and quality of movement and cadence should be considered as part of the maneuver score. While on the line of travel between obstacles, the equine shall be balanced, carrying his head and neck in a relaxed, natural position, with the poll level with or slightly above the withers. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance. Gait between obstacles shall be at the discretion of the judge.

1.4 The course to be used must be posted at least one hour before scheduled starting time of the class.

Section 2. Scoring. Official trail score sheets are to be used, they must be signed by the judge. Scoring will be on the basis of zero (0)-infinity, with 70 denoting an average performance. Each obstacle will receive an obstacle score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each obstacle will be scored on the following basis, ranging from plus 1 ½ to minus 1 ½:

- -1 ½ extremely poor
- -1 very poor
- -1/2 poor
- 0 correct
- +1/2 good
• +1 very good
• +1 ½ excellent

Obstacle scores are to be determined and assessed independently of penalty points. Penalties should be assessed per occurrence as follows:

• over-flexing or straining neck in head carriage so the nose is carried behind the vertical consistently.

Section 2. Course Requirements:

Management, when setting courses, should keep in mind that the idea is not to trap a horse, or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to eliminate any accidents. If difficult courses are set, junior trail should be less difficult. When the distances and spaces are measured between all obstacles, the inside base to inside base measurement of each obstacle considering the normal path of the horse, should be the measuring point. Enough space must be provided for a horse to jog [at least 30 feet (9 meters)] and lope [at least 50 feet (15 meters)] for the judges to evaluate these gaits.

a. If disrupted, the course shall be reset after each horse has worked. In the case that a combination of obstacles are used, the course cannot be reset until the contestant finishes the entire course regardless of where any disruption occurs.

b. At least six obstacles must be used, three of which must be from the mandatory list of obstacles and at least three others selected from the list of optional obstacles;

2.1 Mandatory Obstacles:

a. Opening, passing through and closing gate. (Losing control of gate is to be penalized.) Use a gate which will not endanger horse or rider. If the gate has a metal, plastic or wooden support bar under the opening, contestants must work the gate moving forward through it. Ride over at least four logs or poles. These can be in a straight line, curved, zigzag or raised. The space between the logs is to be measured and the path the horse is to take should be the measuring point. Trot-overs and lope-overs cannot be elevated in novice classes. All elevated elements must be placed in a cup, notched block, or otherwise secured so they cannot roll. The height should be measured from the ground to
the top of the element. Spacing for walkovers, trot-overs, and lope-overs should be as follows or increments thereof:

b. The spacing for walkovers shall be 20” to 24” (40 cm to 60 cm) and may be elevated to 12" (30 cm). Elevated walkovers should be set at least 22” (55 cm) apart.

c. The spacing for trot-overs shall be 3’ to 3’6” (90 cm-105 cm) and may be elevated to 8” (20 cm).

d. The spacing for lope-overs shall be 6’ to 7’ (1.8 to 2.1 meters) or increments thereof, and may be elevated to 8” (20 cm).

b. Backing obstacle:

b. Backing obstacles to be spaced a minimum of 28” (70 cm). If elevated, 30” (75 cm) spacing is required. Entrants cannot be asked to back over a stationary object such as a wooden pole or metal bar.

c. Back through and around at least three markers.

d. Back through L, V, U, straight or similar-shaped course. May be elevated no more than 24” (60 cm).

2.2 Optional obstacles, but not limited to:

a. Water hazard (ditch or small pond). No metal or slick bottom-boxes will be used.

b. Serpentine obstacles at walk or jog. Spacing to be minimum of 6’(1.8 meters) for jog.

c. Carry object from one part of arena to another. (Only objects which reasonably might be carried on a trail ride may be used.)

d. Ride over wooden bridge. (Suggested minimum width shall be 36” (90 cm)) wide and at least six feet long). Bridge should be sturdy, safe and negotiated at a walk only.

e. Put on and remove slicker.

f. Remove and replace materials from mailbox.

g. Side pass (may be elevated to 12” (30 cm) maximum).

h. An obstacle consisting of four logs or rails, each 5’ to 7’ (1.5 to 2.1 meters) long, laid in a square. Each contestant will enter the square by riding over log or rail as designated. When all four feet are inside the square, rider should execute a turn, as indicated, and depart.

i. Any other safe and negotiable obstacle which could reasonably be expected to be encountered on a trail ride and meets the approval of the judge may be used.

j. A combination of two or more of any obstacle is acceptable.

2.3 Unacceptable obstacles:

a. Tires

b. Animals

c. Hides

d. PVC pipe

e. Dismounting

f. Jumps

g. Rocking or moving bridges

h. Water box with floating or moving parts

i. Flames, dry ice, fire extinguisher, etc.

j. Logs or poles elevated in a manner that permits such to roll

k. Ground ties
2.4 The judge must walk the course and has the right and duty to alter the course in any manner. The judge may remove or change any obstacle he deems unsafe or non-negotiable. If at any time a trail obstacle is deemed to be unsafe by the judge, it shall be; repaired or removed from the course. If it cannot be repaired and equine have completed the course, the score for that obstacle shall be deducted from all previous works for that class.

Section 3. Equipment.

a. Except for junior equine shown with hackamore or snaffle bit, only one (1) hand may be used on the reins, except that it is permissible to change hands to work with an obstacle.

b. Hand to be around reins. One (1) finger between reins permitted if split reins are used.

c. While equine is in motion, rider’s hands shall be clear of equine and saddle.

d. Spurs or romal shall not be used forward of the cinch.

e. Equine shall be shown with a stock saddle. Silver equipment will not count over good working outfit.

f. A hackamore or curb, snaffle, half-breed, or spade bit is permissible, but must meet the approval of the judge, curb strap or chain must be at least ½” in width and must lie flat against the jaw of the equine.

g. No wire curbs, regardless of how padded or covered, nor chin strap narrower than ½ inch will be permitted. A martingale, nose- band, or tie-down is prohibited.

h. Use of a rope or riata is optional. If used, the rope or riata must be coiled and attached to the saddle.

11.3 GREEN TRAIL

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Trail class may be shown in Green Trail. Equine must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Trail as apply in Section 10.2 of this rulebook.

Section 2. The purpose of the Green classes is to allow an equine to compete on an entry-level field with equine of the same level of experience. The Green class is a stepping-stone to the more advanced level of competition with seasoned equine. This class should be judged according to the purpose of its intent.

- Any two (2) year old or older equine may participate. Two-year olds may not be shown prior to July 1st.
- Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in its respective class as of January 1 of the current show year. Eligibility of the equine is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.
- In-Hand Trail classes are the exception to these restrictions.

Section 3. Equine eligible to compete:

a. Equine that have not won more than 10 points or a World or Reserve World Championship in any of the above mentioned...
equine associations in Trail classes as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.

b. Year Long Eligibility. If an equine is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

c. Once an equine has earned 10 points in Green Trail, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

d. Equine showing in this event may also enter their respective Trail class at the same show. Green Trail does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

11.4 WALK-TROT TRAIL; AMATEUR AND YOUTH

Section 1. The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

12. RANCH HORSE DIVISION

Section 1. The ranch horse division demonstrates the performance, versatility and conformation of the ABRA horse as a working ranch horse. The intent is to reward an exhibitor and/or horse based on their level of expertise.

Section 2. Classes will be held in conjunction with other like events at ABRA approved shows.

Section 3. Three divisions will be offered: open, amateur, and youth (18 and under).

Section 4. Points will be awarded in each individual class according to the placing received and based on the total number of horses competing in that particular class.

Section 5. Participation.

a. No horses less than 3 years of age may be exhibited.

b. Hoof polish is discouraged.

c. No braided or banded manes/tails or tail extensions.

d. Trimming inside ears is discouraged.

e. Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair.

f. Equipment with silver should not count over a good working outfit. Silver on bridles and saddles is discouraged.

g. Holding the saddle horn with either hand will not be penalized in any class.

h. Posting at the extended trot is acceptable.

i. For shows conducted in international countries, the exhibitor has the option of wearing traditional attire of the country.

Section 6. SCORING SYSTEM.

a. The scoring system is designed to be positive, straightforward, and always encourage growth and improvement in both horse and rider. The scoring system is designed to give credit for the work done.
b. Except for the conformation class, each horse/rider team is scored between 1-100 points and automatically begins the run with a score of 70 points.

c. The horse/rider team is scored on the quality of each maneuver (i.e., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 Good, +1 very good, +1 1/2 excellent) Penalties may be accrued for incorrect maneuver execution.

d. In the case of a horse/rider team being off-pattern (OP), leaving working area before pattern is complete, repeated blatant disobedience, the horse/rider team cannot place above other horse/rider teams who have completed the pattern correctly.

e. No horse/rider team shall be disqualified except for illegal equipment, obvious lameness, inhumane treatment, fall of horse/ rider, and or rider misconduct or disrespect. Disqualified horses will count as entries in the class but will not receive points.

f. In the case of a fall by a horse or rider, the run shall end when the rider or horse fall to the ground. A horse is considered to have fallen when all four feet are extended in the same direction. A rider is considered to have fallen when the rider is no longer astride. A horse/ rider team will be given credit for their work prior to that point but cannot place above other horse/rider teams who have completed the pattern correctly.

g. In the case of equipment that delays competition or becomes unsafe, the run is stopped and the horse/rider team will be given credit for what they have accomplished prior to that point but cannot place above other horse/rider teams who have completed the pattern correctly and will be considered off-pattern (OP).

Section 7. Judging Procedure.

a. Judges must be chosen from the ABRA approved judges list. Judges shall use approved score sheets to score all classes. During the class, a scribe shall assist each judge by recording the score after each of the maneuvers on the appropriate class score sheet. Judges shall sign their score sheets.

b. Class score sheets shall be posted as soon as possible after each class to allow riders to evaluate their performance.

12.1 RANCH PLEASURE

Section 1. Offered as an all age class for open, amateur, novice amateur, youth and novice youth, and for horses three years of age or older.

Section 2. This class is intended as a rail class but individuals working off the rail will not be penalized, and in fact, riders are encouraged to use adequate space given the extension of gaits required.

Section 3. The ranch pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits.
The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. The horse should be soft in the bridle and yield to contact. The ideal ranch rail horse should have a natural head carriage at each gait. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. This class should show the horse’s ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse’s quality of movement are the primary considerations.

Section 4. The following terminology shall apply:

- **Walk** – The walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering. As in all gaits, the horse should display a level, or slightly above level topline with a bright, attentive expression.
- **Trot** – The trot is a natural two-beat gait demonstrating more forward motion than the western jog.
- **Extended Trot** – The extended trot is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.
- **Lope** – The lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.
- **Extended Lope** – The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression.

Section 5. Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot, not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit earning situation.

Section 6. To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control.

Section 7. Ranch Pleasure Penalties. A contestant shall be penalized each time the following occur:

- a. Too slow/per gait
- b. Over-bridled
- c. Out of frame
d. Break of gait at walk or jog for 2 strides or less
e. Break of gait at walk or jog for more than 2 strides
f. Break of gait at lope
g. Wrong lead or out of lead
h. Draped reins
i. Out of lead or cross-cantering more than two strides
j. Trotting more than three strides when taking lead
k. Blatant disobedience (kick, bite, buck, rear, etc.)
l. Schooling
m. Spurring in front of cinch
n. Use of either hand to instill fear/ praise

Section 8. Ranch Class Apparel and Equipment: Attire and tack should be clean and presentable.

a. Working tack is encouraged.
b. Hoof Polish is discouraged.
c. No braided or banded manes or tail extensions.
d. Trimming inside ears is discouraged.
e. Trimming bridle path, fetlocks or excessively long facial hair is allowed.
f. Equipment with silver should not count over a good working outfit. Silver bridles and saddles are discouraged.
g. Breast collar and back cinch are strongly recommended.
h. For shows conducted in international countries, the exhibitor has the option of using the traditional attire of the country
i. Only one hand may be used on the reins, except for junior horses shown with an acceptable snaffle bit or hackamore/bosal.
j. Hands must not be changed.
k. Hands to be around reins.
l. One finger between reins permitted when using split reins only.
m. While horse is in motion, hands shall be clear of the horse and saddle except that it is permissible.

12.2 GREEN RANCH PLEASURE

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Pleasure class may be shown in Green Ranch Pleasure. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Pleasure as apply in Section 12.1 of this rulebook.

Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping-stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.

Section 3. For horses three years of age and older, offered in open, youth and amateur divisions.

a. Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year.
Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

**Section 4.** Horses eligible to compete:

a. Horses that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Ranch Horse Rail Pleasure class as of January 1 of the current show year. **ROMs from all divisions (except Walk-Trot) will count.**

b. Year-Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

c. Once a horse has earned 10 points in Green Ranch Horse Rail Pleasure, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

d. Horses showing in this event may also enter their respective Western Pleasure class at the same show. Green Ranch Pleasure does not count for show all-around or high-point awards.

**Section 5.** ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

### 12.3 RANCH RIDING

**Section 1.** The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

**Section 2.** For horses three years of age and older, offered in open, youth and amateur divisions.

a. Each horse will work individually, performing the required gait maneuvers and a minimum of three optional maneuvers. Horses will be scored on the basis of 0 to 100, with 70 denoting an average performance. Each maneuver will receive a score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each maneuver will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2.:

- -1 1/2 extremely poor
- -1 very poor
- -1/2 poor, 0 correct
- +1/2 good
• + 1 very good
• + 1 1/2 excellent

Maneuver scores are to be determined and assessed independently of penalty points. Horses will be shown individually at three gaits; walk, trot and lope in each direction of the arena.
   b. Horses will also be asked to reverse, stop and back.
   c. The judge must ask for an extended trot and extended lope at least one direction of the ring.

Section 3. The overall cadence and performance of the gaits should be as those described in Section 1, with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.
   a. No time limit shall be imposed.
   b. The use of natural logs is encouraged.
   c. Posting at the extended trot is acceptable.
   d. Touching or holding the saddle horn is acceptable.
   e. Hoof polish is discouraged.
   f. No braided or banded manes/tails or tail extensions.
   g. Trimming inside ears is discouraged.
   h. Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair.
   i. Equipment with silver should not count over a good working outfit. Excessive silver on bridles and saddles is discouraged.
   j. It is suggested competitors use a breast collar and a rear cinch. When exhibiting in a snaffle bit or hackamore, an exhibitor may switch between two hands and one hand on the reins at any time.
   k. Any approved ABRA or AQHA Ranch Riding Pattern may be used.

Section 4. Penalties: A contestant shall be penalized each time the following occur:

One (1) point penalties:
   a. Too slow (per gait)

Section 5. Disqualification (DQ):

a. Lameness
b. Abuse

12.4 GREEN RANCH RIDING

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Riding class may be shown in Green Ranch Riding. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Riding as apply in Section 12.3 of this rulebook.

Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.

2.1 Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year. Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Horses eligible to compete:

a. Horses that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Ranch Riding class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.
b. Year Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.
c. Once a horse has earned 10 points in Green Ranch Riding, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.
d. Horses showing in this event may also enter their respective Ranch Riding class at the same show. Green Ranch Riding does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

12.5 RANCH TRAIL

Section 1. The ranch trail class should test the horse’s ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness,
efficiency and pattern accuracy with which the obstacles are negotiated and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well-broke, responsive and well-mannered horse which can correctly navigate and negotiate the course.

Section 2. Course Design: The ranch trail course will include no less than six and no more than nine obstacles. It is mandatory that the horse be asked to walk, trot and lope during the course.

a. Walk can be part of obstacle score or be scored with the approaching obstacle.
b. Trot must be at least 35 feet and score with approaching obstacle.
c. Lope must be lead-specific, at least 50 feet and score with approaching obstacle.
d. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider. When setting courses, management will be mindful that the idea is not to trap a horse/rider team or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to reduce the risk for accidents.
e. Show committee shall have the option of setting up the trail course to best fit the arena conditions.
f. Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, non-negotiable or unnecessarily difficult.
g. Any time a trail obstacle becomes unsafe during a class, it shall be repaired or removed from the course. If the course cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class.
h. The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles. Combining two or more of the obstacles is acceptable.

PROHIBITED OBSTACLES: Tarps, water obstacles with slick bottoms, PVC pipe used as a jump or walk over, tires, rocking or moving bridges, logs elevated in a manner that permits such to roll in a dangerous manner.

MANDATORY OBSTACLES AND/OR MANEUVERS.

1. Ride over obstacles on the ground (usually logs). Walk, trot or lope may be used but only one gait is required.
2. Walk-overs: Walk over no more than five logs no more than 10 inches high and spacing between 26 - 30 inches. The formation may be straight, curved, zig-zagged or raised.
3. Trot-overs: Trot over no more than five logs no more than 10 inches high. The space between logs or poles should be 36-42 inches. The formation can also be straight, curved, zigzagged or raised.
4. Lope-overs: Lope over no more than five logs no more than 10 inches high. The space between logs should be 6 to 7 feet. The formation can also be straight, curved, zigzagged or raised.
5. Opening, passing through and closing a hinged, swinging
gate. Use a gate that will not endanger horse or rider.

6. Ride over wooden bridge: Bridge should be sturdy, safe and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.

7. Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches wide. If elevated, 30 inch spacing is required. Back through and around at least three makers. Back through L, V, U or straight or similarly shaped course which may be elevated no more than 24 inches.

8. Side-pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 12 inches.

**OPTIONAL OBSTACLES:** Optional obstacles may be used provided the obstacles can be found in everyday ranch work. Optional obstacles from which selections can be made include, but are not limited to:

- a. A jump obstacle whose center height is not less than 14 inches high or more than 25 inches high. Holding the saddle horn is permissible for this obstacle.
- b. Only live or stuffed animals which would normally be encountered in an outdoor setting may be used but not to be used in an attempt to spook a horse.

12.6 GREEN RANCH TRAIL

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Horse Trail class may be shown in Green Ranch Trail. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Trail as apply in Section 12.5 of this rulebook.
Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.

a. For horses three years of age and older, offered in open, youth and amateur divisions. With exception of the ABRA World Championships horses may cross enter any trail class at any ABRA Approved event.
b. Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year. Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Horses eligible to compete:

a. Horses that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Ranch Horse Trail class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.
b. Year Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.
c. Once a horse has earned 10 points in Green Ranch Horse Trail, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.
d. Horses showing in this event may also enter their respective Trail class at the same show. Green Ranch Trail does not count for show all-around or high point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

12.7 RANCH REINING

The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward moving manner. Patterns may be chosen from any of the ranch reining patterns or approved by the show management and judge. Patterns that start with circles may be used as “lope to center patterns” when posted as such by show management.

Section 1. CREDITS AND PENALTIES. All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins, using either hand to instill fear or praise, etc. To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. The horse/ rider team’s overall performance should be credited for
smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty.

1.1 For horses three years of age and older, offered in open, youth and amateur divisions. With exception of the ABRA World Championships horses may cross enter any reining class at any ABRA Approved event.

Section 2. PENALTIES:
One-half (1/2) Penalties:
   a. Starting a circle or exiting a roll-back at a trot for up to two (2) strides
   b. Delayed change of lead by one stride where the lead change is required by the pattern description
   c. Failure to remain a minimum of twenty feet from the wall or fence when approaching a stop and/or roll-back over-spin or under-spin up to 1/8 turn

One (1) Point Penalties:
   a. Out of lead in the circles, figure eights or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead)
   b. Over or under spinning 1/8 to 1/4 turn
   c. Slipping rein.

Two (2) Point Penalties:
   a. Break of gait
   b. Freeze up in spins or roll-backs
   c. Failure to stop or walk before executing a lope departure on trot-in patterns
   d. Failure to be in a lope prior to the first marker on run-in patterns
   e. Failure to completely pass the specified marker before initiating a stop position
   f. Trotting beyond strides, but less than 1/2 circle or 1/2 length of the arena

Five (5) Point Penalties:
   a. Spurring in front of cinch
   b. Blatant disobedience
   c. Use of either hand to instill fear/praise
   d. Use of two hands per maneuver
   e. More than one finger between split reins or any fingers between romal reins per maneuver (except two rein). Excess rein may be straightened anytime during the pattern, provided the rider’s free hand remains behind the rein hand. Any attempt to alter tension or length of the reins from the bridle to the rein hand is considered use of two hands and a penalty score of five (5) will be applied.

Off-­Pattern (OP)
   a. Breaking pattern
   b. Inclusion of maneuver (e.g. over or under spinning, backing more than two (2) strides, etc.)
   c. Leaving arena before pattern is complete
   d. Repeated blatant disobedience
   e. Exhibitors cannot place above others who complete the
pattern correctly.

Disqualification (DQ):
   a. Lameness
   b. Abuse
   c. Illegal equipment
   d. Disrespect or misconduct
   e. Improper western attire
   f. Fall of horse or rider.

12.8 GREEN RANCH REINING

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Reining class may be shown in Green Ranch Reining. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Reining as apply in Section 12.7 of this rulebook.

Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.
   • For horses three years of age and older, offered in open, youth and amateur divisions. With exception of the ABRA World Championships horses may cross enter any reining class at any ABRA Approved event.
   • Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year. Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Horses eligible to compete:
   a. EQUINES that have not won more than 10 points or a World or Reserve World Championship in any of the above mentioned equine associations in Ranch Reining class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.
   b. Year Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.
   c. Once a horse has earned 10 points in Green Ranch Reining, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.
   d. Horses showing in this event may also enter their respective Reining class at the same show. Green Ranch Reining does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll. Patterns can be found at the back of this handbook.
12.9 RANCH COW WORK

Section 1. The ideal Ranch horse must also be a cow horse and this class demonstrates and measures the horse’s ability to do cow work. Holding the saddle horn is permitted. There is a time limit per horse/rider team to perform the work depending on the division and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. Only the judge may award a new cow to a contestant to replace a cow that will not honor a horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

Section 2. No horses less than 3 years of age may be exhibited.

Section 3. Exhibitors in the open, amateur and youth divisions are allotted three minutes to complete the work. When there is one (1) minute left, the announcer will announce, one (1) minute remaining. At three (3) minutes, the announcer will call for time. There are three parts to the class: boxing, fence work and roping or circling.

a. Part One - Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.

b. Part Two - Fence Work: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up and drive it down either side of the arena. The cow should be turned on the fence at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end fence.

c. Part Three - Roping or Circling: The amateur and youth exhibitor has the option of circling the cow in the middle of the arena in both directions in lieu of roping. An amateur or youth exhibitor may circle or rope the cow but cannot combine the two to get credit for this portion of the run. Open exhibitors must rope the cow. To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull up after the fence work, take down the rope and proceed to rope and stop the cow. The exhibitor must then rope the cow and bring it to a stop in the roping portion of the class, two throws are permitted and the horse will be judged on two maneuvers: tracking/rating and stopping the cow. It is not necessary that the exhibitor catch to receive a score in the roping portion. The catch is legal as long as the cow looks through the loop and the rope pulls tight on any
part of the animal’s body except the tail. The rope may be tied on or dallied. If the exhibitor does not catch, the horse will be given credit for rating and tracking and will be assessed a 2-point penalty.

**Section 3.1** For shows conducted in international countries, the exhibitor has the option of circling the cow each direction instead of roping or breakaway roping and wearing traditional attire of the country.

a. To circle the cow, the exhibitor will maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence.

b. The circle’s size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation.

c. The circles should be completed before the cow is exhausted.

d. Once an exhibitor has committed to circling a cow, if the cow falls no new cow will be awarded. The exhibitor will complete the run by riding around the fallen cow to fulfill circling requirements. In the circling portion of the judging, one whistle will terminate the work and two whistles will award a new cow.

**Section 4. CREDITS AND PENALTIES.** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During “Boxing”, credit will be given for the horse’s expression and its ‘cow sense’ (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during “Fence Work” for making the first run past the center of the arena; making turns right on the cow; and controlling a difficult cow. If “Roping”, credit will be given for rating and following cow to allow rider the optimal roping position; stopping hard; and staying in the ground during the hold. Credits for each element of Roping range from -1 1/2 to +1 1/2 points. If “Circling”, credit will be given when the horse works willingly; acknowledges the cow; and gets close enough to the cow to control the circles. Credits for circling range from -1 1/2 to +1 1/2 points for each direction.

**Section 4.1** Penalties will be assessed as follows:

**One (1) Point Penalties:**

a. Loss of working advantage

b. Using the corner or the end of the arena to turn the cow when going down the fence

c. Changing sides of arena to turn cow

d. For each length horse runs past cow

e. Working out of position

f. Slipping rein

g. Failure to drive cow past middle marker on first turn.

**Three (3) Point Penalties:**

a. Going around the corner of the arena before turning cow.

b. When working an animal in the open field (at least 20’ from the side of arena) and the animal gets within 3 feet from the
end fence before being turned.
c. Failure to catch if roping.
d. Exhausting or overworking the cow before circling or roping; hanging up on the fence (refusing to turn)
e. Knocking down the cow without having a working advantage.

Five (5) Point Penalties:

a. Failure to turn the cow both directions on the fence.
b. Spurring in front of cinch
c. Blatant disobedience
d. Use of either hand to instill fear/praise
e. Use of two hands (except in snaffle bit or hackamore) per maneuver

Off-Pattern (OP):

a. Turning tail
b. Failure to attempt any part of the class
c. Leaving arena before run is complete
d. Repeated blatant disobedience
e. Schooling after entering the arena prior to calling for cow
f. Schooling horse between cows, if new cow is awarded
g. Cannot place above others who complete pattern correctly
h. Use of two hands (except junior equine horses shown in a snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein)

Disqualification (DQ):

a. Lameness
b. Abuse
c. Illegal equipment
d. Disrespect or misconduct
e. Improper western attire
f. Fall of horse/rider
g. If the open rider runs out of time to rope, there will be no credit for the stop/hold maneuver and a 2-point penalty for failure to catch. Riders may still earn credit for tracking/rating/control/position and speed/degree of difficulty. Bringing the cow straight over backwards landing on its back or head with all four feet in the air.
h. Leaving arena before run is complete

12.10 GREEN RANCH COW WORK

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Horse Cow Work class may be shown in Green Ranch Horse Cow Work. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Horse Cow Work as apply in Section 12.9 of this rulebook.

Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.
a. No horses less than 3 years of age may be exhibited.
b. Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in it’s respective class as of January 1 of the current show year. Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.

Section 3. Horses eligible to compete:
a. EQUINES that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Ranch Cow Work class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.
b. Year Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.
c. Once a horse has earned 10 points in Green Ranch Cow Work, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.
d. Horses showing in this event may also enter their respective Cow Work class at the same show. Green Ranch Cow Work does not count for show all-around or high point awards.
e. Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

12.11 RANCH CUTTING
This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it to demonstrate the horse’s ability to work the cow. A single cow is cut from the herd and the horse must demonstrate its ability to work the cow.

Section 1. Objective will be to cut one or two cows, based on the division, from the herd and work the cow(s) with the assistance of two turn-back riders and two herd holders. Show management may supply two herd holders and two turn-back riders, or exhibitors may supply their own helpers. If an exhibitor is a herd holder or turn-back rider, he or she may use the horse that they are competing on, or use a different horse.

1.1 No horses less than 3 years of age may be exhibited.
a. For open and amateur division competition, there will be a two minute time limit. Each exhibitor must work two head and has the option of ending their run before the two-minute limit or working the full two minutes.
b. For international countries, show management has the option of allowing exhibitors to work the two head or there may be a one and one-half time limit and work only one head.
c. For youth competition, there will be a one and one-half minute time limit. Each exhibitor may work one or two cows and has the option of ending their run before the one and one-half minute time limit or working the full one and one-half minutes.
d. Working two cows does not assure extra credit to the run.

12.12 GREEN RANCH CUTTING

Section 1. Any EQUINE that has not yet earned a Register of Merit prior to the current year in any approved ABRA, AQHA, APHA, IBHA, or USEF Ranch Horse Cutting class may be shown in Green Ranch Cutting. Horses must be ridden with the equipment that is approved as per ABRA equipment rules for this class. With the exception of eligibility requirements, the same rules apply in Green Ranch Cutting as apply in Section 12.12 of this rulebook.

Section 2. The purpose of the Green classes is to allow a horse to compete on an entry-level field with horses of the same level of experience. The Green class is a stepping-stone to the more advanced level of competition with seasoned horses. This class should be judged according to the purpose of its intent.

a. No horses less than 3 years of age may be exhibited.

b. Any EQUINE that has not earned more than 10 points in any recognized breed association, or more than $1,000 in earnings in its respective class as of January 1 of the current show year. Eligibility of the horse is on the honor system and can be subject to verification through ABRA records, Equistat, and/or recognized breed associations.
Section 3. Horses eligible to compete:

a. EQUINES that have not won more than 10 points or a World or Reserve World Championship in any of the above-mentioned equine associations in Ranch Cutting class as of January 1 of the current show year. ROMs from all divisions (except Walk-Trot) will count.

b. Year Long Eligibility. If a horse is considered eligible on January 1, it may continue to be shown in this class for the calendar year, regardless of points earned.

c. Once a horse has earned 10 points in Green Cutting, or more than $1,000 in earnings, it will no longer be eligible to compete in this class in subsequent years.

d. Horses showing in this event may also enter their respective Ranch Cutting class at the same show. Green Ranch Cutting does not count for show all-around or high-point awards.

Section 4. ROMs will be awarded when ten (10) points have been earned, but will not count towards any other ABRA awards, other than annual Honor Roll.

12.13 RANCH CONFORMATION

The purpose of ranch conformation is to preserve the ABRA horse type by selecting well-mannered individuals in the order of their resemblance to the registry ideal and that are the most positive combination of balance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling. The ranch conformation class must be held after the conclusion of the other ranch events.

a. To be eligible to compete in the ranch conformation class the horse must have shown in at least one (1) performance class from the ranch division at the show.

b. All horses will be shown together as one class:

c. Open/Amateur: stallions, mares and geldings

d. Youth: mares and geldings

e. Horses are to be shown in a good working halter: rope, braided, nylon or plain leather.

f. Horses will walk to the judge one at a time.

g. As the horse approaches, the judge will step to the right to enable the horse to trot straight to a cone placed 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge.

Remember to leave adequate space between barrels and any obstacle. The distance from barrel number three (3) to the finish line need not be reduced five (5) yards at a time if there is sufficient room for the equine to stop.

Section 4. When measuring the area for the barrel course, remember to leave ample room for the equine to complete their turn and to stop at the finish.

Section 5. Starting line markers or electric timers shall be placed, where at all possible, against the arena fence. Electric timer or at least two (2) watches shall be used, with the time indicated by the electric timer or the average time of the watches used by the official timers to be the official time. Section 6. Timing shall begin as soon as the equine’s nose reaches the starting line and will be stopped when the equine’s nose passes over the finish line.

Section 7. This barrel course may also be run to the left. For example, the contestant will start at barrel number two (2), turning to the left around this barrel, then to barrel number one (1), turning to the right, then to barrel number three (3), turning again to the right, followed by the final sprint to the finish line.

Section 8. Knocking over a barrel shall carry a five (5) second penalty. The hat must be on the rider’s head when the exhibitor enters the arena. In speed events a five (5) second penalty will be assessed if the hat or helmet is not on the exhibitor’s person for the entire time the exhibitor is in the arena. Failure to follow the course shall cause disqualification. A contestant may touch the barrel with his or her hands in Barrel Racing.

Section 9. In the event of a tie, the equine declared the winner in the runoff must re-run the pattern within two (2) seconds of its original time or the runoff must be held again.

**Section 5.** Four (4) poles are to be used as obstacles. The start and finish line is 20 feet (6 meters) wide and marked by two upright markers short enough so as to not interfere with the timer if one is used. Short pylons or cones are recommended. Either of the two patterns below are allowed in competition at the discretion of show management.

Section 4. The roper may throw only two (2) loops in this one (1) minute to effectively show his/her horse. If more than one (1) loop is thrown, the roper must carry a second rope tied to saddle which is to be used for the second loop.

Section 5. If roper carries only one (1) rope and misses on first loop, he/she must retire from arena with no score.

Section 6. The horse will be judged on manners behind the barrier, scoring speed to calf, rating calf, the stop, working the rope, and his/ her manners while the roper is returning to horse after tie has been made.

Section 7. Unnecessary quirting with rope, spurring, jerking of reins, talking or any noise making, slapping or jerking rope, or any unnecessary action to induce the horse to perform better will be considered a fault and scored accordingly.

Section 6. The rider will use a daub furnished by the show management, approximately four (4) feet long, padded on one (1) end and with a colored marker attached.

Section 7. There will be a one (1) minute time limit on this event, to prevent needless chasing of the steer.

Section 8. The contestant may daub at the steer as many times as he/she desires within the one minute time limit, providing he/she does not raise his/her daub aloft, signaling that he/she has marked the animal.

Section 9. Any particular or unusual occurrences which are not covered by these class rules shall be ruled upon by the judge and his (or her) decision shall be final.

g. Team Roping Horses shall be scored on the basis of 0 (zero) to 100 (one hundred) points with 70 (seventy) denoting an average performance.

Section 5. The heading horse and the heeling horse are to be entered and scored individually, not as a team.

Section 6. The manners of the horse being judged will be judged at all times.

a. The heading horse shall be judged behind the barrier, on the rate of speed, ability of horse to rate, check, set and turn the steer into position for heeler and turn and face the steer until rope is tight.

b. The heeling horse shall be judged in the box on ease of manner in which it turns and prepares for heeler’s position to throw loop, set and stop steer while holding rope tight in preparation for header’s facing.

c. The run is complete when both ropes are tight and horses are in a facing position. Time is not a factor. When either the heading or heeling horse is being judged, the roper may throw only two (2) loops. If roper fails to catch with either loop, they are to retire from the arena with no score.

d. The rider not being judged may use as many loops as necessary to make the catch within a one (1) minute time limit.

Section 4. A horse going off pattern in the reined work will receive a score of zero.

(Example: If a horse is disqualified and receives a 0 score for the reined work, but scores a 70 for the cow work, its total score would be a 70 and the horse would be eligible for placing.)
   b. However, the fall of a horse and rider being judged shall be cause for disqualification and not eligible to be placed.

Section 5. The approved pattern will be used and each contestant will cause his horse to travel at the gait indicated for each part of the pattern. When judging reined work, the judge should refer to the reining portion of the handbook for guidelines.
   a. In approved working cow horse classes, any of the eight (8) approved working cow horse patterns may be used. One of the eight is to be selected by the judge of the class and used by all contestants of the class.
